§ 3014A. Accelerated payment of basic educational assistance for education leading to employment in high technology occupation in high technology industry

(a) An individual described in subsection (b) who is entitled to basic educational assistance under this subchapter may elect to receive an accelerated payment of the basic educational assistance allowance otherwise payable to the individual under section 3015 of this title.

(b) An individual described in this subsection is an individual who is—

(1) enrolled in an approved program of education that leads to employment in a high technology occupation in a high technology industry (as determined pursuant to regulations prescribed by the Secretary); and

(2) charged tuition and fees for the program of education that, when divided by the number of months (and fractions thereof) in the enroll-

ment period, exceeds the amount equal to 200 percent of the monthly rate of basic educational assistance allowance otherwise payable to the individual under section 3015 of this title.

(c)(1) The amount of the accelerated payment of basic educational assistance made to an individual making an election under subsection (a) for a program of education shall be the lesser of—

(A) the amount equal to 60 percent of the established charges for the program of education; or

(B) the aggregate amount of basic educational assistance to which the individual remains entitled under this chapter at the time of the payment.

(2) In this subsection, the term “established charges”, in the case of a program of education, means the actual charges (as determined pursuant to regulations prescribed by the Secretary) for tuition and fees which similarly circumstanced nonveterans enrolled in the program of education would be required to pay. Established charges shall be determined on the following basis:

(A) In the case of an individual enrolled in a program of education offered on a term, quarter, or semester basis, the tuition and fees charged the individual for the term, quarter, or semester.

(d) An accelerated payment of basic educational assistance made to an individual under this section for a program of education shall be made not later than the last day of the month immediately following the month in which the Secretary receives a certification from the educational institution regarding—

(1) the individual's enrollment in and pursuit of the program of education; and

(2) the amount of the established charges for the program of education.

(e)(1) Except as provided in paragraph (2), for each accelerated payment of basic educational assistance made to an individual under this section, the individual's entitlement to basic educational assistance under this chapter shall be charged the number of months (and any fraction thereof) determined by dividing the amount of the accelerated payment by the full-time monthly rate of basic educational assistance allowance otherwise payable to the individual under section 3015 of this title as of the beginning date of the enrollment period for the program of education for which the accelerated payment is made.

(2) If the monthly rate of basic educational assistance allowance otherwise payable to an indi-

vidual under section 3015 of this title increases during the enrollment period of a program of education for which an accelerated payment of basic educational assistance is made under this section, the charge to the individual's entitlement to basic educational assistance under this chapter shall be determined by prorating the entitlement chargeable, in the matter provided for under paragraph (1), for the periods covered by the initial rate and increased rate, respectively, in accordance with regulations prescribed by the Secretary.

(f) The Secretary may not make an accelerated payment under this section for a program of education to an individual who has received an advance payment under section 3680(d) of this title for the same enrollment period.

(g) The Secretary shall prescribe regulations to carry out this section. The regulations shall include requirements, conditions, and methods for the request, issuance, delivery, certification of receipt and use, and recovery of overpayment of an accelerated payment under this section.

§ 3031. Time limitation for use of eligibility and entitlement

(a) Except as provided in subsections (b) through (g), and subject to subsection (h), of this section, the period during which an individual entitled to educational assistance under this chapter may use such individual’s entitlement expires at the end of the 10-year period beginning on the date of such individual’s last discharge or release from active duty, except that such 10-year period shall begin—

(1) in the case of an individual who becomes entitled to such assistance under clause (A) or (B) of section 3012(a)(1) of this title, on the later of the date of such individual’s last discharge or release from active duty or the date on which the four-year requirement described in clause (A)(ii) or (B)(ii), respectively, of such section 3012(a)(1) is met;

(2) in the case of an individual who becomes entitled to such assistance under section 3011(a)(1)(B), on the later of the date of such individual’s last discharge or release from active duty or January 1, 1990; and

(3) in the case of an individual who becomes entitled to such assistance under section 3011(a)(1)(C) or 3012(a)(1)(C) of this title, on December 27, 2001.

(b) In the case of any eligible individual who has been prevented, as determined by the Secretary, from pursuing a program of education

under this chapter within the 10-year period prescribed by subsection (a) of this section because such individual had not met the nature of discharge requirement of this chapter before the nature of such individual's discharge or release was changed by appropriate authority, such 10-year period shall not run during the period of time that such individual was so prevented from pursuing such program of education.

(c) In the case of an individual eligible for educational assistance under the provisions of this chapter who, after such individual's last discharge or release from active duty, was detained by a foreign government or power, the 10-year period described in subsection (a) of this section shall not run (1) while such individual is so detained, or (2) during any period immediately following such individual's release from such detention during which such individual is hospitalized at a military, civilian, or Department of Veterans Affairs medical facility.

(d)(1) In the case of an individual eligible for educational assistance under this chapter who is prevented from pursuing the individual's chosen program of education before the expiration of the 10-year period for the use of entitlement under this chapter otherwise applicable under this section because of a physical or mental disability which is not the result of the individual's own willful misconduct, such 10-year period—

(A) shall not run during the period the individual is so prevented from pursuing such program; and

(B) shall again begin running on the first day after the individual's recovery from such disability on which it is reasonably feasible, as determined under regulations prescribed by the Secretary, for the individual to initiate or resume pursuit of a program of education with educational assistance under this chapter.

(2)(A) Subject to subparagraph (B), in the case of an individual eligible for educational assistance under this chapter who is prevented from pursuing the individual's chosen program of education before the expiration of the 10-year period for the use of entitlement under this chapter otherwise applicable under this section by reason of acting as the primary provider of personal care services for a veteran or member of the Armed Forces under section 1720G(a) of this title, such 10-year period—

(i) shall not run during the period the individual is so prevented from pursuing such program; and

(ii) shall again begin running on the first day after the date of the recovery of the veteran or member from the injury, or the date on which the individual ceases to be the primary provider of personal care services for the veteran or member, whichever is earlier, on which it is reasonably feasible, as so determined, for the individual to initiate or resume pursuit of a program of education with educational assistance under this chapter.

(B) Subparagraph (A) shall not apply with respect to the period of an individual as a primary provider of personal care services if the period concludes with the revocation of the individual's designation as such a primary provider under section 1720G(a)(7)(D) of this title.

(e)(1) Except as provided in paragraph (2) of this subsection, in the case of an individual described in section 3011(a)(1)(B), 3011(a)(1)(C), 3012(a)(1)(B), or 3012(a)(1)(C) of this title who is entitled to basic educational assistance under this chapter, the 10-year period prescribed in subsection (a) of this section shall be reduced by an amount of time equal to the amount of time that such individual was not serving on active duty during the period beginning on January 1, 1977, and ending on June 30, 1985.

(2) In the case of an individual to which paragraph (1) of this subsection is applicable and who is described in section 3452(a)(1)(B) of this title, the 10-year period prescribed in subsection (a) of this section shall not be reduced by any period in 1977 before the individual began serving on active duty.

(f)(1) If an individual eligible for educational assistance under this chapter is enrolled under this chapter in an educational institution regularly operated on the quarter or semester system and the period of such individual's entitlement under this chapter would, under section 3013, expire during a quarter or semester, such period shall be extended to the end of such quarter or semester.

(2) If an individual eligible for educational assistance under this chapter is enrolled under this chapter in an educational institution not regularly operated on the quarter or semester system and the period of such individual's entitlement under this chapter would, under section 3013, expire after a major portion of the course is completed, such period shall be extended to the end of the course or for 12 weeks, whichever is the lesser period of extension.

(g) In the case of an individual described in section 3011(f)(3) of this title, the period during which that individual may use the individual's entitlement to educational assistance allowance expires on the last day of the 10-year period beginning on the date of the enactment of the Veterans Millennium Health Care and Benefits Act if that date is later than the date that would otherwise be applicable to that individual under this section.

(h) For purposes of subsection (a) of this section, an individual's last discharge or release from active duty shall not include any discharge or release from a period of active duty of less than 90 days of continuous service unless the individual involved is discharged or released for a service-connected disability, for a medical condition which preexisted such service and which the Secretary determines is not service connected, for hardship, or as a result of a reduction in force as described in section 3011(a)(1)(A)(ii)(III) of this title.

- (1) while on active duty; or
- (2) on less than a half-time basis,

the amount of the monthly educational assistance allowance payable to such individual under this chapter is the amount determined under subsection (b) of this section.

(b) The amount of the educational assistance allowance payable to an individual described in subsection (a) of this section is the least of the following: (1) the amount of the educational assistance allowance otherwise payable to such individual under this chapter, (2) the established charges for tuition and fees that the educational institution involved requires similarly circumstanced nonveterans enrolled in the same program to pay, or (3) the amount of the charges of the educational institution elected by the individual under section 3014(b)(1) of this title.

(c)(1) Except as provided in paragraph (2) of this subsection, the amount of the monthly educational assistance allowance payable to an individual pursuing a full-time program of apprenticeship or other on-job training under this chapter is—

(A) for each of the first six months of the individual's pursuit of such program, 75 percent of the monthly educational assistance allowance otherwise payable to such individual under this chapter;

(B) for each of the second six months of the individual's pursuit of such program, 55 percent of such monthly educational assistance allowance; and

(C) for each of the months following the first 12 months of the individual's pursuit of such program, 35 percent of such monthly educational assistance allowance.

(2) In any month in which an individual pursuing a program of education consisting of a program of apprenticeship or other on-job training fails to complete 120 hours of training, the amount of monthly educational assistance allowance payable under this chapter to the individual shall be limited to the same proportion of the applicable rate determined under paragraph (1) of this subsection as the number of hours worked during such month, rounded to the nearest eight hours, bears to 120 hours.

(3)(A) Except as provided in subparagraph (B) of this paragraph, for each month that an individual is paid a monthly educational assistance allowance under this chapter, the individual's entitlement under this chapter shall be charged at the rate of—

- (i) 75 percent of a month in the case of payments made in accordance with paragraph (1)(A) of this subsection;

- (ii) 55 percent of a month in the case of payments made in accordance with paragraph (1)(B) of this subsection; and

(d)(1)(A) The amount of the educational assistance allowance payable under this chapter to an individual who enters into an agreement to pursue, and is pursuing, a program of education exclusively by correspondence is an amount equal to 55 percent of the established charge which the institution requires nonveterans to pay for the course or courses pursued by such individual.

(B) For purposes of this paragraph, the term “established charge” means the lesser of—

- (i) the charge for the course or courses determined on the basis of the lowest extended time payment plan offered by the institution and approved by the appropriate State approving agency; or

- (ii) the actual charge to the individual for such course or courses.

(2) Such allowance shall be paid quarterly on a pro rata basis for the lessons completed by the individual and serviced by the institution.

(3) In each case in which the rate of payment to an individual is determined under paragraph (1) of this subsection, the period of entitlement of such individual under this chapter shall be charged at the rate of one month for each payment of educational assistance to the individual that is equal to the amount of monthly educational assistance the individual would otherwise be eligible to receive for full-time pursuit of an institutional course under this chapter.

(e)(1) Notwithstanding subsection (a) of this section, each individual who is pursuing a program of education consisting exclusively of flight training approved as meeting the requirements of section 3034(d) of this title shall be paid an educational assistance allowance under this chapter in the amount equal to 60 percent of the established charges for tuition and fees which similarly circumstanced nonveterans enrolled in the same flight course are required to pay.

(2) No educational assistance allowance may be paid under this chapter to an individual for any month during which such individual is pursuing a program of education consisting exclusively of flight training until the Secretary has received from that individual and the institution providing such training a certification of the flight training received by the individual during that month and the tuition and other fees charged for that training.

(3) The number of months of entitlement charged in the case of any individual for a program of education described in paragraph (1) of this subsection shall be equal to the number (including any fraction) determined by dividing the total amount of educational assistance paid such individual for such program by the monthly rate of educational assistance which, except for paragraph (1) of this subsection, such individual would otherwise be paid under subsection

(a)(1), (b)(1), (d), or (e)(1) of section 3015 of this title, as the case may be.

(4) The number of solo flying hours for which an individual may be paid an educational assistance allowance under this subsection may not exceed the minimum number of solo flying hours required by the Federal Aviation Administration for the flight rating or certification which is the goal of the individual's flight training.

(f)(1) Subject to paragraph (3), the amount of educational assistance payable under this chapter for a licensing or certification test described in section 3452(b) of this title is the lesser of \$2,000 or the fee charged for the test.

(2) The number of months of entitlement charged in the case of any individual for such licensing or certification test is equal to the number (including any fraction) determined by dividing the total amount of educational assistance paid such individual for such test by the full-time monthly institutional rate of educational assistance which, except for paragraph (1), such individual would otherwise be paid under subsection (a)(1), (b)(1), (d), or (e)(1) of section 3015 of this title, as the case may be.

(3) In no event shall payment of educational assistance under this subsection for such a test exceed the amount of the individual's available entitlement under this chapter.

(g)(1) Subject to paragraph (3), the amount of educational assistance payable under this chapter for a national test for admission or national test providing an opportunity for course credit at institutions of higher learning described in section 3452(b) of this title is the amount of the fee charged for the test.

(2) The number of months of entitlement charged in the case of any individual for a test described in paragraph (1) is equal to the number (including any fraction) determined by dividing the total amount of educational assistance paid such individual for such test by the full-time monthly institutional rate of educational assistance, except for paragraph (1), such individual would otherwise be paid under subsection (a)(1), (b)(1), (d), or (e)(1) of section 3015 of this title, as the case may be.

(3) In no event shall payment of educational assistance under this subsection for a test described in paragraph (1) exceed the amount of the individual's available entitlement under this chapter.

§ 3103. Periods of eligibility

(a) Except as provided in subsection (b), (c), (d), or (e) of this section, a rehabilitation program may not be afforded to a veteran under this chapter after the end of the twelve-year period beginning on the date of such veteran's discharge or release from active military, naval, or air service.

(b)(1) In any case in which the Secretary determines that a veteran has been prevented from participating in a vocational rehabilitation program under this chapter within the period of eligibility prescribed in subsection (a) of this section because a medical condition of such veteran made it infeasible for such veteran to participate in such a program, the twelve-year period of eligibility shall not run during the period of time that such veteran was so prevented from participating in such a program, and such period of eligibility shall again begin to run on the

first day following such veteran's recovery from such condition on which it is reasonably feasible, as determined under regulations which the Secretary shall prescribe, for such veteran to participate in such a program.

(2) In any case in which the Secretary determines that a veteran has been prevented from participating in a vocational rehabilitation program under this chapter within the period of eligibility prescribed in subsection (a) of this section because—

(A) such veteran had not met the requirement of a discharge or release from active military, naval, or air service under conditions other than dishonorable before (i) the nature of such discharge or release was changed by appropriate authority, or (ii) the Secretary determined, under regulations prescribed by the Secretary, that such discharge or release was under conditions other than dishonorable, or

(B) such veteran's discharge or dismissal was, under section 5303 of this title, a bar to benefits under this title before the Secretary made a determination that such discharge or dismissal is not a bar to such benefits,

the twelve-year period of eligibility shall not run during the period of time that such veteran was so prevented from participating in such a program.

(3) In any case in which the Secretary determines that a veteran has been prevented from participating in a vocational rehabilitation program under this chapter within the period of eligibility prescribed in subsection (a) of this section because such veteran had not established the existence of a service-connected disability rated at 10 percent or more, the twelve-year period of eligibility shall not run during the period such veteran was so prevented from participating in such a program.

(c) In any case in which the Secretary determines that a veteran is in need of services to overcome a serious employment handicap, such veteran may be afforded a vocational rehabilitation program after the expiration of the period of eligibility otherwise applicable to such veteran if the Secretary also determines, on the basis of such veteran's current employment handicap and need for such services, that an extension of the applicable period of eligibility is necessary for such veteran and—

(1) that such veteran had not previously been rehabilitated to the point of employability;

(2) that such veteran had previously been rehabilitated to the point of employability but (A) the need for such services had arisen out of a worsening of such veteran's service-connected disability that precludes such veteran from performing the duties of the occupation for which such veteran was previously trained in a vocational rehabilitation program under this chapter, or (B) the occupation for which such veteran had been so trained is not suitable in view of such veteran's current employment handicap and capabilities; or

(3) under regulations which the Secretary shall prescribe, that an extension of the period of eligibility of such veteran is necessary to accomplish the purposes of a rehabilitation program for such veteran.

(d) In any case in which the Secretary has determined that a veteran's disability or disabilities are so severe that the achievement of a vocational goal currently is not reasonably feasible, such veteran may be afforded a program of independent living services and assistance in accordance with the provisions of section 3120 of this title after the expiration of the period of eligibility otherwise applicable to such veteran if the Secretary also determines that an extension of the period of eligibility of such veteran is necessary for such veteran to achieve maximum independence in daily living.

(e)(1) The limitation in subsection (a) shall not apply to a rehabilitation program described in paragraph (2).

(2) A rehabilitation program described in this paragraph is a rehabilitation program pursued by a veteran under section 3102(b) of this title.

(f) In any case in which the Secretary has determined that a veteran was prevented from participating in a vocational rehabilitation program under this chapter within the period of eligibility otherwise prescribed in this section as a result of being ordered to serve on active duty under section 688, 12301(a), 12301(d), 12301(g), 12302, or 12304 of title 10, such period of eligibility shall not run for the period of such active duty service plus four months.

“(a) FINDINGS.—Congress makes the following findings:

“(1) There are approximately 135,000 blind veterans throughout the United States, including approximately 35,000 who are enrolled with the Department of Veterans Affairs. An aging veteran population and injuries incurred in Operation Iraqi Freedom and Operation Enduring Freedom are increasing the number of blind veterans.

“(2) Since 1996, when the Department of Veterans Affairs hired its first 14 blind rehabilitation outpatient specialists (referred to in this section as ‘Specialists’), Specialists have been a critical part of the continuum of care for blind and visually impaired veterans.

“(3) The Department of Veterans Affairs operates 10 residential blind rehabilitation centers that are considered among the best in the world. These centers have had long waiting lists, with as many as 1,500 blind veterans waiting for openings in 2004.

“(4) Specialists provide—

“(A) critically needed services to veterans who are unable to attend residential centers or are waiting to enter a residential center program;

“(B) a range of services for blind veterans, including training with living skills, mobility, and adaptation of manual skills; and

“(C) pre-admission screening and follow-up care for blind rehabilitation centers.

“(1) give priority to facilities with large numbers of enrolled legally blind veterans;

“(2) ensure that each facility does not have such a position; and

“(3) ensure that each facility is in need of the services of a Specialist.

“(d) COORDINATION.—The Secretary shall coordinate the provision of blind rehabilitation services for veterans with services for the care of the visually impaired offered by State and local agencies, especially to the extent to which such State and local agencies can provide necessary services to blind veterans in settings located closer to the residences of such veterans at similar quality and cost to the veteran.

“(e) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated for the Department of Veterans Affairs to carry out this section \$3,500,000 for each of fiscal years 2007 through 2012.”

(b)(1) Except as provided in paragraph (2) and in subsection (c), the period of a vocational rehabilitation program for a veteran under this chapter following a determination of the current reasonable feasibility of achieving a vocational goal may not exceed forty-eight months, except that the counseling and placement and postplacement services described in section 3104(a)(2) and (5) of this title may be provided for an additional period not to exceed eighteen months in any case in which the Secretary determines the provision of such counseling and services to be necessary to accomplish the purposes of a rehabilitation program in the individual case.

(2) The period of a vocational rehabilitation program pursued by a veteran under section 3102(b) of this title following a determination of the current reasonable feasibility of achieving a vocational goal may not exceed 12 months.

(c) The Secretary may extend the period of a vocational rehabilitation program for a veteran to the extent that the Secretary determines that an extension of such period is necessary to enable such veteran to achieve a vocational goal if the Secretary also determines—

(1) that such veteran had previously been rehabilitated to the point of employability but (A) such veteran's need for further vocational rehabilitation has arisen out of a worsening of such veteran's service-connected disability that precludes such veteran from performing the duties of the occupation for which such veteran had been so rehabilitated, or (B) the occupation for which such veteran had been so rehabilitated is not suitable in view of such veteran's current employment handicap and capabilities; or

(2) under regulations which the Secretary shall prescribe, that such veteran has a serious employment handicap and that an extension of such period is necessary to accomplish the purposes of a rehabilitation program for such veteran.

(d)(1) Except as provided in paragraph (2), the period of a program of independent living services and assistance for a veteran under this chapter (following a determination by the Secretary that such veteran's disability or disabili-

ties are so severe that the achievement of a vocational goal currently is not reasonably feasible) may not exceed twenty-four months.

(2)(A) The period of a program of independent living services and assistance for a veteran under this chapter may exceed twenty-four months as follows:

(i) If the Secretary determines that a longer period is necessary and likely to result in a substantial increase in the veteran's level of independence in daily living.

(ii) If the veteran served on active duty during the Post-9/11 Global Operations period and has a severe disability (as determined by the Secretary for purposes of this clause) incurred or aggravated in such service.

(B) In this paragraph, the term "Post-9/11 Global Operations period" means the period of the Persian Gulf War beginning on September 11, 2001, and ending on the date thereafter prescribed by Presidential proclamation or by law.

(e)(1) Notwithstanding any other provision of this chapter or chapter 36 of this title, any payment of a subsistence allowance and other assistance described in paragraph (2) shall not—

(A) be charged against any entitlement of any veteran under this chapter; or

(B) be counted toward the aggregate period for which section 3695 of this title limits an individual's receipt of allowance or assistance.

(2) The payment of the subsistence allowance and other assistance referred to in paragraph (1) is the payment of such an allowance or assistance for the period described in paragraph (3) to a veteran for participation in a vocational rehabilitation program under this chapter if the Secretary finds that the veteran had to suspend or discontinue participation in such vocational rehabilitation program as a result of being ordered to serve on active duty under section 688, 12301(a), 12301(d), 12301(g), 12302, or 12304 of title 10.

(3) The period for which, by reason of this subsection, a subsistence allowance and other assistance is not charged against entitlement or counted toward the applicable aggregate period under section 3695 of this title shall be the period of participation in the vocational rehabilitation program for which the veteran failed to receive credit or with respect to which the veteran lost training time, as determined by the Secretary.

§ 3106. Initial and extended evaluations; determinations regarding serious employment handicap

(a) The Secretary shall provide any veteran who has a service-connected disability rated at 10 percent or more and who applies for benefits under this chapter with an initial evaluation consisting of such services described in section 3104(a)(1) of this title as are necessary (1) to determine whether such veteran is entitled to and eligible for benefits under this chapter, and (2) in the case of a veteran who is determined to be entitled to and eligible for such benefits, to determine—

(A) whether such veteran has a serious employment handicap, and

(B) whether the achievement of a vocational goal currently is reasonably feasible for such veteran if it is reasonably feasible to make such determination without extended evaluation.

(b) In any case in which the Secretary has determined that a veteran has a serious employment handicap and that the achievement of a vocational goal currently is reasonably feasible for such veteran, such veteran shall be provided an individualized written plan of vocational rehabilitation developed under section 3107(a) of this title.

(d) In any case in which the Secretary has determined that a veteran has a serious employment handicap and also determines, following such initial and any such extended evaluation, that achievement of a vocational goal currently is not reasonably feasible, the Secretary shall determine whether the veteran is capable of participating in a program of independent living services and assistance under section 3120 of this title.

(e) The Secretary shall in all cases determine as expeditiously as possible whether the achievement of a vocational goal by a veteran currently is reasonably feasible. In the case of a veteran provided extended evaluation under subsection (c) of this section (including any periods of extensions under section 3105(a) of this title), the Secretary shall make such determination not later than the end of such extended evaluation or period of extension, as the case may be. In determining whether the achievement of a vocational goal currently is reasonably feasible, the Secretary shall resolve any reasonable doubt in favor of determining that such achievement currently is reasonably feasible.

(f) In connection with each period of extended evaluation of a veteran and each rehabilitation program for a veteran who is determined to have a serious employment handicap, the Secretary shall assign a Department of Veterans Affairs employee to be responsible for the management and followup of the provision of all services (including appropriate coordination of employment assistance under section 3117 of this title) and assistance under this chapter to such veteran.

INDIVIDUALIZED WRITTEN PLANS AND EXTENSIONS OF ELIGIBILITY AND VOCATIONAL REHABILITATION PROGRAM PERIODS FOR VETERANS IN PROGRAMS ON MARCH 31, 1981

Section 101(d) of Pub. L. 96-466 provided that with respect to veterans participating in a program of vocational rehabilitation under this chapter on Mar. 31, 1981, individualized written plans of vocational rehabilitation were to be formulated under this section as determined by Administrator, and authorized extensions of periods of vocational rehabilitation without regard to certain requirements for determinations of serious employment handicaps.

VETERANS PURSUING PROGRAM OF VOCATIONAL REHABILITATION UNDER FORMER SECTION 1507 OF THIS TITLE

During the period beginning on Oct. 1, 1980, and ending on Mar. 31, 1981, the provisions of section 3112 [formerly 1512] of this title, as added by Pub. (2) In any case in which the Secretary determines, at the conclusion of such veteran's pursuit of a vocational rehabilitation program under this chapter, that such veteran has been rehabilitated to the point of employability, such veteran shall be paid a subsistence allowance, as prescribed in this section for full-time training for the type of program that the veteran was pursuing, for two months while satisfactorily following a program of employment services provided under section 3104(a)(5) of this title.

(3) A subsistence allowance may not be paid under this chapter to a veteran for any period during which such veteran is being provided with an initial evaluation under section 3106(a) of this title or during which such veteran is being provided only with counseling or with placement or postplacement services under section 3105(b) of this title.

(2) Except as provided in paragraph (5)(E) of this subsection and in subsection (e) of this section and section 3233 of this title and subject to section 3241 of this title, the amount of the monthly payment to which any eligible veteran is entitled shall be ascertained by (A) adding all contributions made to the fund by the eligible veteran, (B) multiplying the sum by 3, (C) adding all contributions made to the fund for such veteran by the Secretary of Defense, and (D) dividing the sum by the lesser of 36 or the number of months in which contributions were made by such veteran.

(3) Payment of benefits under this chapter may be made only for periods of time during

which an eligible veteran is actually enrolled in and pursuing an approved program of education and, except as provided in paragraph (4), only after an eligible veteran has been discharged or released from active duty.

(4) Payment of benefits under this chapter may be made after a participant has completed his or her first obligated period of active duty (which began after December 31, 1976), or 6 years of active duty (which began after December 31, 1976), whichever period is less.

(5)(A) Notwithstanding any other provision of this chapter or chapter 36 of this title, any payment of an educational assistance allowance described in subparagraph (B) of this paragraph—

(i) shall not be charged against the entitlement of any eligible veteran under this chapter; and

(ii) shall not be counted toward the aggregate period for which section 3695 of this title limits an individual’s receipt of assistance.

(B) The payment of an educational assistance allowance referred to in subparagraph (A) of this paragraph is any payment of a monthly benefit under this chapter to an eligible veteran for pursuit of a course or courses under this chapter if the Secretary finds that the eligible veteran—

(i) in the case of a person not serving on active duty, had to discontinue such course pursuit as a result of being ordered to serve on active duty under section 688, 12301(a), 12301(d), 12301(g), 12302, or 12304 of title 10; or

(iii) failed to receive credit or training time toward completion of the individual’s approved educational, professional, or vocational objective as a result of having to discontinue, as described in clause (i) or (ii) of this subparagraph, his or her course pursuit.

(C) The period for which, by reason of this subsection, an educational assistance allowance is not charged against entitlement or counted toward the applicable aggregate period under section 3695 of this title shall not exceed the portion of the period of enrollment in the course or courses for which the individual failed to receive credit or with respect to which the individual lost training time, as determined under subparagraph (B)(iii) of this paragraph.

(D) The amount in the fund for each eligible veteran who received a payment of an educational assistance allowance described in subparagraph (B) of this paragraph shall be restored to the amount that would have been in the fund for the veteran if the payment had not been made. (E) In the case of a veteran who discontinues pursuit of a course or courses as described in subparagraph (B) of this paragraph, the formula for ascertaining the amount of the monthly payment to which the veteran is entitled in paragraph (2) of this subsection shall be implemented as if—

(i) the payment made to the fund by the Secretary of Defense under subparagraph (D) of this paragraph, and

(ii) any payment for a course or courses described in subparagraph (B) of this paragraph that was paid out of the fund,

had not been made or paid.

(c) When an eligible veteran is pursuing a program of education under this chapter by correspondence, such eligible veteran's entitlement shall be charged at the rate of 1 month's entitlement for each month of benefits paid to the eligible veteran (computed on the basis of the formula provided in subsection (a)(2) of this section).

The amount of the educational assistance benefits payable to a veteran while so incarcerated shall be reduced to the extent that the tuition and fees of the veteran for any course are paid under any Federal program (other than a program administered by the Secretary) or under any State or local program.

(2) Paragraph (1) of this subsection shall not apply in the case of any veteran who is pursuing a program of education under this chapter while residing in a halfway house or participating in a work-release program in connection with such veteran's conviction of a felony.

(e)(1) Subject to subsection (a)(1) of this section, each individual who is pursuing a program of education consisting exclusively of flight training approved as meeting the requirements of section 3241(b) of this title shall be paid educational assistance under this chapter in the amount equal to 60 percent of the established charges for tuition and fees which similarly circumstanced nonveterans enrolled in the same flight course are required to pay.

(2) No payment may be paid under this chapter to an individual for any month during which such individual is pursuing a program of education consisting exclusively of flight training until the Secretary has received from that individual and the institution providing such training a certification of the flight training received by the individual during that month and the tuition and other fees charged for that training.

(3) The entitlement of an eligible veteran pursuing a program of education described in paragraph (1) of this subsection shall be charged at the rate of one month for each amount of educational assistance paid which is equal to the monthly benefit otherwise payable to such veteran (computed on the basis of the formula provided in subsection (a)(2) of this section).

(4) The number of solo flying hours for which an individual may be paid an educational assistance allowance under this subsection may not exceed the minimum number of solo flying hours required by the Federal Aviation Administration for the flight rating or certification which is the goal of the individual's flight training.

(2)(A) If any eligible veteran was prevented from initiating or completing such veteran's chosen program of education during the delimiting period determined under paragraph (1) of this subsection because of a physical or mental disability which was not the result of such veteran's own willful misconduct, such veteran shall, upon application made in accordance with subparagraph (B) of this paragraph, be granted an extension of the applicable delimiting period for such length of time as the Secretary determines, from the evidence, that such veteran was so prevented from initiating or completing such program of education.

(B) An extension of the delimiting period applicable to an eligible veteran may be granted under subparagraph (A) of this paragraph by reason of the veteran's mental or physical disability only if the veteran submits an application for such extension to the Secretary within one year after (i) the last date of the delimiting period otherwise applicable to the veteran under paragraph (1) of this subsection, or (ii) the termination date of the period of the veteran's mental or physical disability, whichever is later.

(2)(A) Any contributions which were made by a veteran disenrolled under paragraph (1) of this subsection and remain in the fund shall be refunded to the veteran after notice of disenrollment is transmitted to the veteran and the veteran applies for such refund.

(B) If no application for refund of contributions under subparagraph (A) of this paragraph is received from a disenrolled veteran within one year after the date the notice referred to in such subparagraph is transmitted to the veteran, it shall be presumed that the veteran's whereabouts is unknown and the funds shall be transferred to the Secretary for payments for entitlement earned under subchapter II of chapter 30.

FINDINGS

Pub. L. 110-252, title V, §5002, June 30, 2008, 122 Stat. 2357, provided that: “Congress makes the following findings:

“(1) On September 11, 2001, terrorists attacked the United States, and the brave members of the Armed Forces of the United States were called to the defense of the Nation.

“(2) Service on active duty in the Armed Forces has been especially arduous for the members of the Armed Forces since September 11, 2001.

“(3) The United States has a proud history of offering educational assistance to millions of veterans, as demonstrated by the many ‘G.I. Bills’ enacted since World War II. Educational assistance for veterans helps reduce the costs of war, assist veterans in readjusting to civilian life after wartime service, and boost the United States economy, and has a positive effect on recruitment for the Armed Forces.

“(4) The current educational assistance program for veterans is outmoded and designed for peacetime service in the Armed Forces.

“(5) The people of the United States greatly value military service and recognize the difficult challenges involved in readjusting to civilian life after wartime service in the Armed Forces.

“(6) It is in the national interest for the United States to provide veterans who serve on active duty in the Armed Forces after September 11, 2001, with enhanced educational assistance benefits that are worthy of such service and are commensurate with the educational assistance benefits provided by a grateful Nation to veterans of World War II.”

(b) **CORRECTION OF DISCHARGE.**—In the case of any eligible veteran who has been prevented, as determined by the Secretary, from completing a program of education under this chapter within

(a)(1) Except as provided in subsection (b), (c), or (g) of this section, or section 3687 of this title, while pursuing a program of education under this chapter of half-time or more, each eligible veteran shall be paid the monthly educational assistance allowance set forth in column II, III, IV, or V (whichever is applicable as determined by the veteran's dependency status) opposite the applicable type of program as shown in column I:

Column I	Column II	Column III	Column IV	Column V
Type of program	No dependents	One dependent	Two dependents	More than two dependents
Institutional training:				The amount in column IV, plus the following for each dependent in excess of two:
Full-time ..	\$376	\$448	\$510	\$32
Three-quarter time.	283	336	383	24
Half-time ..	188	224	255	17
Cooperative.	304	355	404	23

(2) A "cooperative" program, other than a "farm cooperative" program, means a full-time program of education which consists of institutional courses and alternate phases of training in a business or industrial establishment with the training in the business or industrial establishment being strictly supplemental to the institutional portion.

(b) The educational assistance allowance of an individual pursuing a program of education—

- (1) while on active duty, or
- (2) on less than a half-time basis,

shall be computed at the rate of (A) the established charges for tuition and fees which the institution requires similarly circumstanced non-veterans enrolled in the same program to pay, or (B) \$376 per month for a full-time course,

whichever is the lesser. An individual's entitlement shall be charged for institutional courses on the basis of the applicable monthly training time rate as determined under section 3688 of this title.

(c)(1) An eligible veteran who is enrolled in an educational institution for a "farm cooperative" program consisting of institutional agricultural courses prescheduled to fall within 44 weeks of any period of 12 consecutive months and who pursues such program on—

(A) a full-time basis (a minimum of ten clock hours per week or four hundred and forty clock hours in such year prescheduled to provide not less than eighty clock hours in any three-month period),

(B) a three-quarter-time basis (a minimum of 7 clock hours per week), or

(C) a half-time basis (a minimum of 5 clock hours per week),

shall be eligible to receive an educational assistance allowance at the appropriate rate provided in the table in paragraph (2) of this subsection, if such eligible veteran is concurrently engaged in agricultural employment which is relevant to such institutional agricultural courses as determined under standards prescribed by the Secretary. In computing the foregoing clock hour requirements there shall be included the time involved in field trips and individual and group instruction sponsored and conducted by the educational institution through a duly authorized instructor of such institution in which the veteran is enrolled.

(2) The monthly educational assistance allowance of an eligible veteran pursuing a farm cooperative program under this chapter shall be paid as set forth in column II, III, IV, or V (whichever is applicable as determined by the veteran's dependency status) opposite the basis shown in column I:

Column I	Column II	Column III	Column IV	Column V
Basis	No dependents	One dependent	Two dependents	More than two dependents
Full-time	\$304	\$355	\$404	\$23
Three-quarter time.	228	266	303	18
Half-time	152	178	202	12

(d)(1) Notwithstanding the prohibition in section 3471 of this title prohibiting enrollment of an eligible veteran in a program of education in which such veteran has "already qualified," a veteran shall be allowed up to six months of educational assistance (or the equivalent thereof in part-time assistance) for the pursuit of refresher training to permit such veteran to update such veteran's knowledge and skills and to be instructed in the technological advances which have occurred in such veteran's field of employment during and since the period of such veteran's active military service.

(2) A veteran pursuing refresher training under this subsection shall be paid an educational assistance allowance based upon the rate pre-

scribed in the table in subsection (a)(1) or in subsection (c)(2) of this section, whichever is applicable.

(3) The educational assistance allowance paid under the authority of this subsection shall be charged against the period of entitlement the veteran has earned pursuant to section 3461(a) of this title.

(e) The educational assistance allowance of an eligible veteran pursuing an independent study program which leads to a standard college degree shall be computed at the rate provided in subsection (b) of this section. If the entire training is to be pursued by independent study, the amount of such veteran's entitlement to educational assistance under this chapter shall be charged in accordance with the rate at which the veteran is pursuing the independent study program but at not more than the rate at which such entitlement is charged for pursuit of such program on less than a half-time basis. In any case in which independent study is combined with resident training, the educational assistance allowance shall be paid at the applicable institutional rate based on the total training time determined by adding the number of semester hours (or the equivalent thereof) of resident training to the number of semester hours (or the equivalent thereof) of independent study that do not exceed the number of semester hours (or the equivalent thereof) required for the less than half-time institutional rate, as determined by the Secretary, for resident training. A veteran's entitlement shall be charged for a combination of independent study and resident training on the basis of the applicable monthly training time rate as determined under section 3688 of this title.

(f) The educational assistance allowance of an eligible veteran pursuing a course by open circuit television shall be computed in the same manner that such allowance is computed under subsection (e) of this section for an independent study program.

(g)(1) Subject to the provisions of paragraph (2) of this subsection, the amount of the educational assistance allowance paid to an eligible veteran who is pursuing a program of education under this chapter while incarcerated in a Federal, State, local, or other penal institution or correctional facility for conviction of a felony may not exceed such amount as the Secretary determines, in accordance with regulations which the Secretary shall prescribe, is necessary to cover the cost of established charges for tuition and fees required of similarly circumstanced nonveterans enrolled in the same program and to cover the cost of necessary supplies, books, and equipment, or the applicable monthly educational assistance allowance prescribed for a veteran with no dependents in subsection (a)(1) or (c)(2) of this section or section 3687(b)(1) of this title, whichever is the lesser. The amount of the educational assistance allowance payable to a veteran while so incarcerated shall be reduced to the extent that the tuition and fees of the veteran for any course are paid under any Federal program (other than a program administered by the Secretary) or under any State or local program.

(2) Paragraph (1) of this subsection shall not apply in the case of any veteran who is pursuing

a program of education under this chapter while residing in a halfway house or participating in a work-release program in connection with such veteran's conviction of a felony.

(h)(1) Subject to paragraph (3), the amount of educational assistance payable under this chapter for a licensing or certification test described in section 3452(b) of this title is the lesser of \$2,000 or the fee charged for the test.

(ii) in accordance with such terms and conditions as may be specified in the agreement under this subsection, waive or defer charging interest and administrative costs pursuant to section 5315 of this title on the indebtedness to be satisfied by performance of the agreement; and

(iii) notwithstanding the indebtedness offset provisions of section 5314 of this title, waive or defer until the termination of an agreement under this subsection the deduction of all or any portion of the amount of indebtedness covered by the agreement from future payments to the individual as described in section 5314 of this title.

(3)(A) Subject to the provisions of subparagraphs (B) and (C) of this paragraph, an agreement authorized under this subsection shall terminate in accordance with the provisions of this section and the terms and conditions of the agreement which are consistent with this subsection.

(B) In no event shall an agreement under this subsection continue in force after the total amount of the individual's indebtedness described in paragraph (1) of this subsection has been recouped, waived, or otherwise liquidated.

(C) Notwithstanding the provisions of subparagraphs (A) and (B) of this paragraph, if the Secretary finds that an individual was without fault and was allowed to perform services described in the agreement after its termination, the Secretary shall, as reasonable compensation therefor, pay the individual at the applicable hourly minimum wage rate for such services as the Secretary determines were satisfactorily performed.

(4) The Secretary shall promulgate regulations to carry out this subsection.

SUBCHAPTER I—DEFINITIONS

§ 3500. Purpose

The Congress hereby declares that the educational program established by this chapter is for the purpose of providing opportunities for education to children whose education would otherwise be impeded or interrupted by reason of the disability or death of a parent from a disease or injury incurred or aggravated in the Armed Forces after the beginning of the Spanish-American War, and for the purpose of aiding such children in attaining the educational status which they might normally have aspired to and obtained but for the disability or death of such parent. The Congress further declares that the educational program extended to the surviving spouses of veterans who died of service-connected disabilities and to spouses of veterans with a service-connected total disability permanent in nature is for the purpose of assisting them in preparing to support themselves and their families at a standard of living level which the veteran, but for the veteran's death or service disability, could have expected to provide for the veteran's family.

(Added Pub. L. 90-631, §2(a)(1), Oct. 23, 1968, 82 Stat. 1331, §1700; amended Pub. L. 94-502, title III, §310(1), Oct. 15, 1976, 90 Stat. 2391; renumbered §3500, Pub. L. 102-83, §5(a), Aug. 6, 1991, 105 Stat. 406.)

Such term also includes any preparatory course described in section 3002(3)(B) of this title. Such term also includes licensing or certification tests, the successful completion of

which demonstrates an individual's possession of the knowledge or skill required to enter into, maintain, or advance in employment in a predetermined and identified vocation or profession, provided such tests and the licensing or credentialing organizations or entities that offer such tests are approved by the Secretary in accordance with section 3689 of this title. Such term also includes national tests for admission to institutions of higher learning or graduate schools (such as the Scholastic Aptitude Test (SAT), Law School Admission Test (LSAT), Graduate Record Exam (GRE), and Graduate Management Admission Test (GMAT)) and national tests providing an opportunity for course credit at institutions of higher learning (such as the Advanced Placement (AP) exam and College-Level Examination Program (CLEP)).

Such term shall also include a hospital offering educational programs at the postsecondary level without regard to whether the hospital grants a postsecondary degree. (c) Any provision of this chapter which requires any action to be taken by or with respect to the parent or guardian of an eligible person who has not attained such person's majority, or who, having attained such person's majority, is under a legal disability, shall not apply when the Secretary determines that its application would not be in the best interest of the eligible person, would result in undue delay, or would not be administratively feasible. In such a case the Secretary, where necessary to protect the interest of the eligible person, may designate some other person (who may be the eligible person) as the person by or with respect to whom the action so required should be taken.

(d) No eligible person may be afforded educational assistance under this chapter unless such person was discharged or released after each period such person was on duty with the Armed Forces under conditions other than dishonorable, or while such person is on duty with the Armed Forces.

§ 3511. Duration of educational assistance

(a)(1) Each eligible person, whether made eligible by one or more of the provisions of section 3501(a)(1) of this title, shall be entitled to educational assistance under this chapter for an aggregate period not in excess of 45 months (or to the equivalent thereof in part-time training).

(2)(A) Notwithstanding any other provision of this chapter or chapter 36 of this title, any payment of an educational assistance allowance described in subparagraph (B) of this paragraph shall not—

(i) be charged against the entitlement of any individual under this chapter; or

(ii) be counted toward the aggregate period for which section 3695 of this title limits an individual's receipt of assistance.

(B) The payment of the educational assistance allowance referred to in subparagraph (A) of this paragraph is the payment of such an allowance to an individual for pursuit of a course or courses under this chapter if the Secretary finds that the individual—

(i) had to discontinue such course pursuit as a result of being ordered to serve on active duty under section 688, 12301(a), 12301(d), 12301(g), 12302, or 12304 of title 10 or of being involuntarily ordered to full-time National Guard duty under section 502(f) of title 32; and

(ii) failed to receive credit or training time toward completion of the individual's approved educational, professional, or vocational objective as a result of having to discontinue, as described in clause (i) of this subparagraph, his or her course pursuit.

(C) The period for which, by reason of this subsection, an educational assistance allowance is not charged against entitlement or counted toward the applicable aggregate period under section 3695 of this title shall not exceed the portion of the period of enrollment in the course or courses for which the individual failed to receive credit or with respect to which the individual lost training time, as determined under subparagraph (B)(ii) of this paragraph.

(b) If any eligible person pursuing a program of education, or of special restorative training, under this chapter ceases to be an "eligible person" because—

(1) the parent or spouse from whom eligibility is derived is found no longer to have a

“total disability permanent in nature”, as defined in section 3501(a)(8) of this title,

(2) the parent or spouse from whom eligibility is derived based upon section 3501(a)(1)(C) of this title is no longer listed in one of the categories specified therein,

then such eligible person (if such person has sufficient remaining entitlement) may, nevertheless, be afforded educational assistance under this chapter until the end of the quarter or semester for which enrolled if the educational institution in which such person is enrolled is operated on a quarter or semester system, or if the educational institution is not so operated until the end of the course, or until 12 weeks have expired, whichever first occurs.

(A) the Secretary approves that beginning date;

(B) the eligible person elects that beginning date by not later than the end of the 60-day period beginning on the date on which the Secretary provides written notice to that person of that person's opportunity to make such election, such notice including a statement of the deadline for the election imposed under this subparagraph; and

(C) that beginning date—

(i) in the case of a person whose eligibility is based on a parent who has a service-connected total disability permanent in nature, is the date determined pursuant to subsection (d), or any date between the two dates described in subsection (d); and

(ii) in the case of a person whose eligibility is based on the death of a parent, is between—

(I) the date of the parent's death; and

(II) the date of the Secretary's decision that the death was service-connected;

(4) if the person otherwise eligible under paragraph (3) fails to elect a beginning date of entitlement in accordance with that paragraph, the beginning date of the person's entitlement shall be the date of the Secretary's decision that the parent has a service-connected total disability permanent in nature, or that the parent's death was service-connected, whichever is applicable;

(b)(1)(A) Except as provided in subparagraph (B), (C), or (D), a person made eligible by subparagraph (B) or (D) of section 3501(a)(1) of this title or a person made eligible by the disability of a spouse under section 3501(a)(1)(E) of this title may be afforded educational assistance under this chapter during the 10-year period beginning on the date (as determined by the Secretary) the person becomes an eligible person within the meaning of section 3501(a)(1)(B), 3501(a)(1)(D)(i), 3501(a)(1)(D)(ii), or 3501(a)(1)(E) of this title. In the case of a surviving spouse made eligible by clause (ii) of section 3501(a)(1)(D) of this title, the 10-year period may not be reduced by any earlier period during which the person was eligible for educational assistance under this chapter as a spouse made eligible by clause (i) of that section.

(B) Notwithstanding subparagraph (A), an eligible person referred to in that subparagraph may, subject to the Secretary's approval, elect a later beginning date for the 10-year period than would otherwise be applicable to the person under that subparagraph. The beginning date so elected may be any date between the beginning date determined for the person under subparagraph (A) and whichever of the following dates applies:

(i) The date on which the Secretary notifies the veteran from whom eligibility is derived that the veteran has a service-connected total disability permanent in nature.

(ii) The date on which the Secretary determines that the veteran from whom eligibility is derived died of a service-connected disability.

(iii) The date on which the Secretary notifies the member of the Armed Forces from

whom eligibility is derived that the member has a total disability permanent in nature incurred or aggravated in the line of duty in the active military, naval, or air service.

(C) Notwithstanding subparagraph (A), an eligible person referred to in that subparagraph who is made eligible under section 3501(a)(1)(B) of this title by reason of the death of a person on active duty may be afforded educational assistance under this chapter during the 20-year period beginning on the date (as determined by the Secretary) such person becomes an eligible person within the meaning of such section.

(D) Notwithstanding subparagraph (A), an eligible person referred to in that subparagraph who is made eligible under section 3501(a)(1)(D)(i) of this title by reason of a service-connected disability that was determined to be a total disability permanent in nature not later than three years after discharge from service may be afforded educational assistance under this chapter during the 20-year period beginning on the date the disability was so determined to be a total disability permanent in nature, but only if the eligible person remains the spouse of the disabled person throughout the period.

(2) Notwithstanding the provisions of paragraph (1) of this subsection, in the case of any eligible person (as defined in section 3501(a)(1)(B), (C), (D), or (E) of this title) whose eligibility is based on the death or disability of a spouse or on a spouse being listed in one of the categories referred to in section 3501(a)(1)(C) of this title who was prevented from initiating or completing such person's chosen program of education within such period because of a physical or mental disability which was not the result of such person's own willful misconduct, such person shall, upon application made within one year after (A) the last date of the delimiting period otherwise applicable under this section, (B) the termination of the period of mental or physical disability, or (C) October 1, 1980, whichever is the latest, be granted an extension of the applicable delimiting period for such length of time as the Secretary determines, from the evidence, that such person was so prevented from initiating or completing such program of education. When an extension of the applicable delimiting period is granted under the exception in the preceding sentence, the delimiting period will again begin running on the first day following such eligible person's recovery from such disability on which it is reasonably feasible, as determined in accordance with regulations which the Secretary shall prescribe, for such eligible person to initiate or resume pursuit of a program of education with educational assistance under this chapter.

(c)(1) Notwithstanding subsection (a) and subject to paragraph (2), an eligible person may be afforded educational assistance beyond the age limitation applicable to the person under such subsection if—

(A) the person suspends pursuit of such person's program of education after having enrolled in such program within the time period applicable to such person under such subsection;

(B) the person is unable to complete such program after the period of suspension and be-

fore attaining the age limitation applicable to the person under such subsection; and

(C) the Secretary finds that the suspension was due to either of the following:

(i) The actions of the person as the primary provider of personal care services for a veteran or member of the Armed Forces under section 1720G(a) of this title.

(ii) Conditions otherwise beyond the control of the person.

(2) Paragraph (1) shall not apply with respect to the period of an individual as a primary provider of personal care services if the period concludes with the revocation of the individual's designation as such a primary provider under section 1720G(a)(7)(D) of this title.

(3) Educational assistance may not be afforded a person under paragraph (1) after the earlier of—

(A) the age limitation applicable to the person under subsection (a), plus a period of time equal to the period the person was required to suspend pursuit of the person's program of education as described in paragraph (1); or

(B) the date of the person's thirty-first birthday.

(d) The term “first finds” as used in this section means the effective date of the rating or date of notification to the person from whom eligibility is derived establishing a service-connected total disability permanent in nature whichever is more advantageous to the eligible person.

(e) No person made eligible by section 3501(a)(1)(C) of this title based on a spouse being listed in one of the categories referred to in section 3501(a)(1)(C) of this title may be afforded educational assistance under this chapter beyond 10 years after the date on which the spouse was so listed.

(a) No course of education which has not been approved by a State approving agency pursuant to section 3675 of this title, which is offered by a public or private, profit or nonprofit, educational institution shall be approved for the purposes of this chapter unless the educational institution offering such course submits to the appropriate State approving agency a written application for approval of such course in accordance with the provisions of this chapter.

(b) Such application shall be accompanied by not less than two copies of the current catalog or bulletin which is certified as true and correct in content and policy by an authorized owner or official and includes the following:

(5) Institution policy and regulations relative to leave, absences, class cuts, makeup work, tardiness and interruptions for unsatisfactory attendance;

(6) Institution policy and regulations relative to standards of progress required of the student by the institution (this policy will define the grading system of the institution, the minimum grades considered satisfactory, conditions for interruption for unsatisfactory grades or progress and a description of the probationary period, if any, allowed by the institution, and conditions of reentrance for those students dismissed for unsatisfactory progress. A statement will be made regarding progress records kept by the institution and furnished the student);

(7) Institution policy and regulations relating to student conduct and conditions for dismissal for unsatisfactory conduct;

(8) Detailed schedules of fees, charges for tuition, books, supplies, tools, student activities, laboratory fees, service charges, rentals, deposits, and all other charges;

(10) A description of the available space, facilities, and equipment;

(11) A course outline for each course for which approval is requested, showing subjects or units in the course, type of work or skill to be learned, and approximate time and clock hours to be spent on each subject or unit; and

(12) Policy and regulations of the institution relative to granting credit for previous educational training.

(c) The appropriate State approving agency may approve the application of such institution when the institution and its non-accredited courses are found upon investigation to have met the following criteria:

(1) The courses, curriculum, and instruction are consistent in quality, content, and length with similar courses in public schools and other private schools in the State, with recognized accepted standards.

(2) There is in the institution adequate space, equipment, instructional material, and instructor personnel to provide training of good quality.

(3) Educational and experience qualifications of directors, administrators, and instructors are adequate.

(4) The institution maintains a written record of the previous education and training of the eligible person and clearly indicates that appropriate credit has been given by the institution for previous education and training, with the training period shortened proportionately and the eligible person so notified.

(5) A copy of the course outline, schedule of tuition, fees, and other charges, regulations pertaining to absence, grading policy, and rules of operation and conduct will be furnished the eligible person upon enrollment.

(6) Upon completion of training, the eligible person is given a certificate by the institution indicating the approved course and indicating that training was satisfactorily completed.

(7) Adequate records as prescribed by the State approving agency are kept to show attendance and progress or grades, and satisfactory standards relating to attendance, progress, and conduct are enforced.

(8) The institution complies with all local, city, county, municipal, State, and Federal regulations, such as fire codes, building and sanitation codes. The State approving agency may require such evidence of compliance as is deemed necessary.

(9) The institution is financially sound and capable of fulfilling its commitments for training.

(10) The institution does not utilize advertising of any type which is erroneous or misleading, either by actual statement, omission, or intimation. The institution shall not be deemed to have met this requirement until the State approving agency (A) has ascertained from the Federal Trade Commission whether the Commission has issued an order to the institution to cease and desist from any act or practice, and (B) has, if such an order has been issued, given due weight to that fact.

(11) The institution does not exceed its enrollment limitations as established by the State approving agency.

(12) The institution's administrators, directors, owners, and instructors are of good reputation and character.

(13) The institution has and maintains a policy for the refund of the unused portion of tuition, fees, and other charges in the event the eligible person fails to enter the course or withdraws or is discontinued therefrom at any time before completion and—

(A) in the case of an institution (other than (i) a Federal, State, or local Government institution or (ii) an institution described in subparagraph (B)), such policy provides that the amount charged to the eligible person for tuition, fees, and other charges for a portion of the course shall not exceed the approximate pro rata portion of the total charges for tuition, fees, and other charges that the length of the completed portion of the course bears to its total length; or

(B) in the case of an institution that is a nonaccredited public educational institution, the institution has and maintains a refund policy regarding the unused portion of tuition, fees, and other charges that is substantially the same as the refund policy followed by accredited public educational institutions located within the same State as such institution.

(14) Such additional criteria as may be deemed necessary by the State approving agency.

(d) The Secretary may waive, in whole or in part, the requirements of subsection (c)(13) of this section in the case of an educational institution which—

(1) is a college, university, or similar institution offering postsecondary level academic

instruction that leads to an associate or higher degree,

(2) is operated by an agency of a State or of a unit of local government,

(3) is located within such State or, in the case of an institution operated by an agency of a unit of local government, within the boundaries of the area over which such unit has taxing jurisdiction, and

(4) is a candidate for accreditation by a regional accrediting association,

if the Secretary determines, pursuant to regulations which the Secretary shall prescribe, that such requirements would work an undue administrative hardship because the total amount of tuition, fees, and other charges at such institution is nominal.

(e) Notwithstanding any other provision of this title, a course of education shall not be approved under this section if it is to be pursued in whole or in part by independent study.

§ 3677. Approval of training on the job

(a) Any State approving agency may approve a program of training on the job (other than a program of apprenticeship) only when it finds that the job which is the objective of the training is one in which progression and appointment to the next higher classification are based upon skills learned through organized and supervised training on the job and not on such factors as length of service and normal turnover, and that the provisions of subsections (b) and (c) of this section are met.

(b)(1) The training establishment offering training which is desired to be approved for the purposes of this chapter must submit to the appropriate State approving agency a written application for approval which, in addition to furnishing such information as is required by the State approving agency, contains a certification that—

(A) the wages to be paid the eligible veteran or person (i) upon entrance into training, are not less than wages paid nonveterans in the same training position and are at least 50 per centum of the wages paid for the job for which the veteran or person is to be trained, and (ii) such wages will be increased in regular periodic increments until, not later than the last full month of the training period, they will be at least 85 per centum of the wages paid for the job for which such eligible veteran or person is being trained; and

(B) there is reasonable certainty that the job for which the eligible veteran or person is to be trained will be available to the veteran or person at the end of the training period.

(2) The requirement under paragraph (1)(A)(ii) shall not apply with respect to a training establishment operated by the United States or by a State or local government.

(3) The requirement for certification under paragraph (1) shall not apply to training described in section 3452(e)(2) of this title.

(c) As a condition for approving a program of training on the job (other than a program of apprenticeship) the State approving agency must find upon investigation that the following criteria are met:

(1) The training content of the course is adequate to qualify the eligible veteran or person for appointment to the job for which the veteran or person is to be trained.

(2) The job customarily requires full-time training for a period of not less than six months and not more than two years.

(3) The length of the training period is not longer than that customarily required by the training establishments in the community to provide an eligible veteran or person with the required skills, arrange for the acquiring of job knowledge, technical information, and other facts which the eligible veteran or person will need to learn in order to become competent on the job for which the veteran or person is being trained.

(4) Provision is made for related instruction for the individual eligible veteran or person who may need it.

(5) There is in the training establishment adequate space, equipment, instructional material, and instructor personnel to provide satisfactory training on the job.

(6) Adequate records are kept to show the progress made by each eligible veteran or person toward such veteran's or person's job objective.

(7) No course of training will be considered bona fide if given to an eligible veteran or person who is already qualified by training and experience for the job.

(8) A signed copy of the training agreement for each eligible veteran or person, including the training program and wage scale as ap-

proved by the State approving agency, is provided to the veteran or person and to the Secretary and the State approving agency by the employer.

(9) That the course meets such other criteria as may be established by the State approving agency.

(d)(1) The Secretary may conduct a pilot program under which the Secretary operates a program of training on the job under this section for a period (notwithstanding subsection (c)(2)) of up to three years in duration to train employees of the Department to become qualified adjudicators of claims for compensation, dependency and indemnity compensation, and pension.

(2)(A) Not later than three years after the implementation of the pilot project, the Secretary shall submit to Congress an initial report on the pilot project. The report shall include an assessment of the usefulness of the program in recruiting and retaining of personnel of the Department as well as an assessment of the value of the program as a training program.

(B) Not later than 18 months after the date on which the initial report under subparagraph (A) is submitted, the Secretary shall submit to Congress a final report on the pilot project. The final report shall include recommendations of the Secretary with respect to continuation of the pilot project and with respect to expansion of the types of claims for which the extended period of on the job training is available to train such employees.

SUBCHAPTER II—MISCELLANEOUS PROVISIONS

§ 3680. Payment of educational assistance or subsistence allowances

(a) PERIOD FOR WHICH PAYMENT MAY BE MADE.—Payment of educational assistance or subsistence allowances to eligible veterans or eligible persons pursuing a program of education or training, other than a program by correspondence, in an educational institution under chapter 31, 34, or 35 of this title shall be paid as provided in this section and, as applicable, in section 3108, 3482, 3491, or 3532 of this title. Such payments shall be paid only for the period of such veterans' or persons' enrollment in, and pursuit of, such program, but no amount shall be paid—

(1) to any eligible veteran or eligible person for any period when such veteran or person is not pursuing such veteran's or person's course in accordance with the regularly established policies and regulations of the educational institution, with the provisions of such regulations as may be prescribed by the Secretary pursuant to subsection (g) of this section, and with the requirements of this chapter or of chapter 34 or 35 of this title, but payment may be made for an actual period of pursuit of one or more unit subjects pursued for a period of time shorter than the enrollment period at the educational institution;

(2) to any eligible veteran or person for auditing a course; or

(3) to any eligible veteran or person for a course for which the grade assigned is not used in computing the requirements for graduation including a course from which the student withdraws unless—

(A) the eligible veteran or person withdraws because he or she is ordered to active duty; or

(B) the Secretary finds there are mitigating circumstances, except that, in the first instance of withdrawal (without regard to withdrawals described in subclause (A) of this clause) by the eligible veteran or person from a course or courses with respect to which the veteran or person has been paid assistance under this title, mitigating circumstances shall be considered to exist with respect to courses totaling not more than six semester hours or the equivalent thereof.

Notwithstanding the foregoing, the Secretary may, subject to such regulations as the Secretary shall prescribe, continue to pay allowances to eligible veterans and eligible persons enrolled in courses set forth in clause (1) of this subsection during periods when schools are temporarily closed under an established policy based on an Executive order of the President or due to an emergency situation. However, the total number of weeks for which allowances may continue to be so payable in any 12-month period may not exceed 4 weeks.

(b) CORRESPONDENCE TRAINING CERTIFICATIONS.—No educational assistance allowance shall be paid to an eligible veteran or spouse or surviving spouse enrolled in and pursuing a program of education exclusively by correspondence until the Secretary shall have received—

(1) from the eligible veteran or spouse or surviving spouse a certificate as to the number of lessons actually completed by the veteran or spouse or surviving spouse and serviced by the educational institution; and

(2) from the training establishment a certification or an endorsement on the veteran's or spouse's or surviving spouse's certificate, as to the number of lessons completed by the veteran or spouse or surviving spouse and serviced by the institution.

(c) APPRENTICESHIP AND OTHER ON-JOB TRAINING.—No training assistance allowance shall be paid to an eligible veteran or eligible person enrolled in and pursuing a program of apprenticeship or other on-job training until the Secretary shall have received—

(1) from such veteran or person a certification as to such veteran's or person's actual attendance during such period; and

(2) from the training establishment a certification, or an endorsement on the veteran's or person's certificate, that such veteran or person was enrolled in and pursuing a program of apprenticeship or other on-job training during such period.

(d) ADVANCE PAYMENT OF INITIAL EDUCATIONAL ASSISTANCE OR SUBSISTENCE ALLOWANCE.—(1) The educational assistance or subsistence allowance advance payment provided for in this subsection is based upon a finding by the Congress that eligible veterans and eligible persons may need additional funds at the beginning of a school term to meet the expenses of books, travel, deposits, and payment for living quarters, the initial installment of tuition, and the other special expenses which are concentrated at the beginning of a school term.

(2) Subject to the provisions of this subsection, and under regulations which the Secretary shall prescribe, an eligible veteran or eligible person shall be paid an educational assistance allowance or subsistence allowance, as appropriate, advance payment. Such advance payment shall be made in an amount equivalent to the allowance for the month or fraction thereof in which pursuit of the program will commence, plus the allowance for the succeeding month. In the case of a person on active duty, who is pursuing a program of education, the advance payment shall be in a lump sum based upon the amount payable for the entire quarter, semester, or term, as applicable. In no event shall an advance payment be made under this subsection to a veteran or person intending to pursue a program of education on less than a half-time basis. An advance payment may not be made under this subsection to any veteran or person unless the veteran or person requests such payment and the Secretary finds that the educational institution at which such veteran or person is accepted or enrolled has agreed to, and can satisfactorily, carry out the provisions of paragraphs (4)(B) and (C) and (5) of this subsection. The application for advance payment, to be made on a form prescribed by the Secretary, shall—

(A) in the case of an initial enrollment of a veteran or person in an educational institution, contain information showing that the veteran or person (i) is eligible for educational benefits, (ii) has been accepted by the institution, and (iii) has notified the institution of such veteran's or person's intention to attend that institution; and

(B) in the case of a re-enrollment of a veteran or person, contain information showing that the veteran or person (i) is eligible to continue such veteran's or person's program of education or training and (ii) intends to re-enroll in the same institution,

and, in either case, shall also state the number of semester or clock-hours to be pursued by such veteran or person.

(3) For purposes of the Secretary's determination whether any veteran or person is eligible for an advance payment under this section, the information submitted by the institution, the veteran or person, shall establish such veteran's or person's eligibility unless there is evidence in such veteran's or person's file in the processing office establishing that the veteran or person is not eligible for such advance payment.

(4) The advance payment authorized by paragraph (2) of this subsection shall, in the case of an eligible veteran or eligible person, be (A) drawn in favor of the veteran or person; (B) mailed to the educational institution listed on the application form for temporary care and delivery to the veteran or person by such institution; and (C) delivered to the veteran or person upon such veteran's or person's registration at such institution, but in no event shall such delivery be made earlier than thirty days before the program of education is to commence.

(5) Upon delivery of the advance payment pursuant to paragraph (4) of this subsection, the institution shall submit to the Secretary a certification of such delivery. If such delivery is not effected within thirty days after commencement

of the program of education in question, such institution shall return such payment to the Secretary forthwith.

(e) **RECOVERY OF ERRONEOUS PAYMENTS.**—(1) Subject to paragraph (2), if an eligible veteran or eligible person fails to enroll in or pursue a course for which an educational assistance or subsistence allowance advance payment is made, the amount of such payment and any amount of subsequent payments which, in whole or in part, are due to erroneous information required to be furnished under subsection (d)(2) of this section, shall become an overpayment and shall constitute a liability of such veteran or person to the United States and may be recovered, unless waived pursuant to section 5302 of this title, from any benefit otherwise due such veteran or person under any law administered by the Department of Veterans Affairs or may be recovered in the same manner as any other debt due the United States.

(2) Paragraph (1) shall not apply to the recovery of an overpayment of an educational allowance or subsistence allowance advance payment to an eligible veteran or eligible person who fails to enroll in or pursue a course of education for which the payment is made if such failure is due to the death of the veteran or person.

(f) **PAYMENTS FOR LESS THAN HALF-TIME TRAINING.**—Payment of educational assistance allowance in the case of any eligible veteran or eligible person pursuing a program of education on less than a half-time basis shall be made in an amount computed for the entire quarter, semester, or term not later than the last day of the month immediately following the month in which certification is received from the educational institution that such veteran or person has enrolled in and is pursuing a program at such institution. Such lump sum payment shall be computed at the rate provided in section 3482(b) or 3532(a)(2) of this title, as applicable.

(g) **DETERMINATION OF ENROLLMENT, PURSUIT, AND ATTENDANCE.**—(1) The Secretary may, pursuant to regulations which the Secretary shall prescribe, determine and define with respect to an eligible veteran and eligible person the following:

(A) Enrollment in a course or program of education or training.

(B) Pursuit of a course or program of education or training.

(C) Attendance at a course or program of education or training.

(2) The Secretary may withhold payment of benefits to an eligible veteran or eligible person until the Secretary receives such proof as the Secretary may require of enrollment in and satisfactory pursuit of a program of education by the eligible veteran or eligible person. The Secretary shall adjust the payment withheld, when necessary, on the basis of the proof the Secretary receives.

(3) In the case of an individual other than an individual described in paragraph (4), the Secretary may accept the individual's monthly certification of enrollment in and satisfactory pursuit of a program of education as sufficient proof of the certified matters.

(4) In the case of an individual who has received an accelerated payment of basic edu-

cational assistance under section 3014A of this title during an enrollment period for a program of education, the Secretary may accept the individual's certification of enrollment in and satisfactory pursuit of the program of education as sufficient proof of the certified matters if the certification is submitted after the enrollment period has ended.

(3) following either a change in ownership or a complete move outside its original general

locality, the educational institution does not retain substantially the same faculty, student body, and courses as before the change in ownership or the move outside the general locality (as determined in accordance with regulations the Secretary shall prescribe) unless the educational institution following such change or move has been in operation for at least two years.

(f) The Secretary may not approve the enrollment of an eligible veteran in a course as a part of a program of education offered by an educational institution if the course is provided under contract by another educational institution or entity and—

§ 3684. Reports by veterans, eligible persons, and institutions; reporting fee

(a)(1) Except as provided in paragraph (2) of this subsection, the veteran or eligible person and the educational institution offering a course in which such veteran or eligible person is enrolled under chapter 31, 34, 35, or 36 of this title shall, without delay, report to the Secretary, in the form prescribed by the Secretary, such enrollment and any interruption or termination of the education of each such veteran or eligible person. The date of such interruption or termination will be the last date of pursuit, or, in the case of correspondence training, the last date a lesson was serviced by a school.

(2)(A) In the case of a program of independent study pursued on less than a half-time basis in an educational institution, the Secretary may approve a delay by the educational institution in reporting the enrollment or reenrollment of an eligible veteran or eligible person until the end of the term, quarter, or semester if the educational institution requests the delay and the Secretary determines that it is not feasible for the educational institution to monitor interruption or termination of the veteran's or eligible person's pursuit of such program.

(B) An educational institution which, pursuant to subparagraph (A) of this paragraph, is delaying the reporting of the enrollment or reenrollment of a veteran shall provide the veteran with notice of the delay at the time that the veteran enrolls or reenrolls.

(3)(A) Subject to subparagraph (B) of this paragraph, an educational institution offering courses on a term, quarter, or semester basis may certify the enrollment of a veteran who is not on active duty, or of an eligible person, in such courses for more than one term, quarter, or semester at a time, but not for a period extending beyond the end of a school year (including the summer enrollment period).

(B) Subparagraph (A) of this paragraph shall not apply with respect to any term, quarter, or semester for which the veteran or eligible person is enrolled on a less than half-time basis and shall not be construed as restricting the Secretary from requiring that an educational institution, in reporting an enrollment for more than one term, quarter, or semester, specify the dates of any intervals within or between any such terms, quarters, or semesters.

(b) The Secretary, prior to making payment of a reporting fee to an educational institution, as provided for in subsection (c) of this section, shall require such institution to certify that it has exercised reasonable diligence in determining whether such institution or any course offered by such institution approved for the en-

rollment of veterans or eligible persons meets all of the applicable requirements of chapters 31, 34, 35, and 36 of this title and that it will, without delay, report any failure to meet any such requirement to the Secretary.

(c) The Secretary may pay to any educational institution, or to the sponsor of a program of apprenticeship, furnishing education or training under either this chapter or chapter 31, 34, or 35 of this title, a reporting fee which will be in lieu of any other compensation or reimbursement for reports or certifications which such educational institution or joint apprenticeship training committee is required to submit to the Secretary by law or regulation. Such reporting fee shall be computed for each calendar year by multiplying \$12 by the number of eligible veterans or eligible persons enrolled under this chapter or chapter 31, 34, or 35 of this title, or \$15 in the case of those eligible veterans and eligible persons whose educational assistance checks are directed in care of each institution for temporary custody and delivery and are delivered at the time of registration as provided under section 3680(d)(4) of this title, during the calendar year. The reporting fee shall be paid to such educational institution or joint apprenticeship training committee as soon as feasible after the end of the calendar year for which it is applicable. No reporting fee payable to an educational institution under this subsection shall be subject to offset by the Secretary against any liability of such institution for any overpayment for which such institution may be administratively determined to be liable under section 3685 of this title unless such liability is not contested by such institution or has been upheld by a final decree of a court of appropriate jurisdiction. Any reporting fee paid an educational institution or joint apprenticeship training committee after the date of the enactment of the Post-9/11 Veterans Educational Assistance Improvements Act of 2011¹ shall be utilized by such institution or committee solely for the making of certifications required under this chapter or chapter 31, 34, or 35 of this title or for otherwise supporting programs for veterans. The reporting fee payable under this subsection shall be paid from amounts appropriated for readjustment benefits.

§ 3686. Correspondence courses

(a)(1) Each eligible veteran (as defined in section 3452(a)(1) and (2) of this title) and each eligible spouse or surviving spouse (as defined in section 3501(a)(1)(B), (C), (D), or (E) of this title) who enters into an enrollment agreement to pursue a program of education exclusively by correspondence shall be paid an educational assistance allowance computed at the rate of 55 percent of the established charge which the institution requires nonveterans to pay for the course or courses pursued by the eligible veteran or spouse or surviving spouse. The term “established charge” as used herein means the charge for the course or courses determined on the basis of the lowest extended time payment plan offered by the institution and approved by the appropriate State approving agency or the actual cost to the veteran or spouse or surviving spouse, whichever is the lesser. Such allowance shall be paid quarterly on a pro rata basis for the lessons completed by the veteran or spouse or surviving spouse and serviced by the institution.

(2) The period of entitlement of any veteran or spouse or surviving spouse who is pursuing any program of education exclusively by correspondence shall be charged with one month for each \$376 which is paid to the veteran or spouse or surviving spouse as an educational assistance allowance for such course.

(3) Notwithstanding any other provision of law unless enacted in express limitation of this paragraph, funds in the Department of Veterans Affairs readjustment benefits account shall be available for payments under paragraph (1) of this subsection for pursuit of a program of education exclusively by correspondence in which the veteran or spouse or surviving spouse enrolls after September 30, 1981.

(b) The enrollment agreement shall fully disclose the obligation of both the institution and the veteran or spouse or surviving spouse and shall prominently display the provisions for affirmation, termination, refunds, and the conditions under which payment of the allowance is

made by the Secretary to the veteran or spouse or surviving spouse. A copy of the enrollment agreement shall be furnished to each such veteran or spouse or surviving spouse at the time such veteran or spouse or surviving spouse signs such agreement. No such agreement shall be effective unless such veteran or spouse or surviving spouse shall, after the expiration of five days after the enrollment agreement is signed, have signed and submitted to the Secretary a written statement, with a signed copy to the institution, specifically affirming the enrollment agreement. In the event the veteran or spouse or surviving spouse at any time notifies the institution of such veteran's or spouse's intention not to affirm the agreement in accordance with the preceding sentence, the institution, without imposing any penalty or charging any fee shall promptly make a full refund of all amounts paid.

(c) In the event a veteran or spouse or surviving spouse elects to terminate such veteran's or spouse's enrollment under an affirmed enrollment agreement, the institution may charge the veteran or spouse or surviving spouse a registration or similar fee not in excess of 10 percent of the tuition for the course, or \$50, whichever is less. Where the veteran or spouse or surviving spouse elects to terminate the agreement after completion of one or more but less than 25 percent of the total number of lessons comprising the course, the institution may retain such registration or similar fee plus 25 percent of the tuition for the course. Where the veteran or spouse or surviving spouse elects to terminate the agreement after completion of 25 percent but less than 50 percent of the lessons comprising the course, the institution may retain the full registration or similar fee plus 50 percent of the course tuition. (B) the Secretary determines that the test is generally accepted, in accordance with relevant government, business, or industry standards, employment policies, or hiring practices, as attesting to a level of knowledge

(ii) the applicability of the test over such periods of time as the Secretary determines appropriate.

(2) With respect to each organization or entity that is an entity of the United States, a State, or political subdivision of a State, that offers a licensing or certification test for which payment may be made under chapters 30, 32, 34, or 35 of this title, the following provisions of paragraph (1) shall apply to the entity: subparagraphs (E), (F), (G), and (H).

§ 3690. Overcharges by educational institutions; discontinuance of allowances; examination of records; false or misleading statements

(a) OVERCHARGES BY EDUCATIONAL INSTITUTIONS.—If the Secretary finds that an educational institution has—

(1) charged or received from any eligible veteran or eligible person pursuing a program of education under this chapter or chapter 34 or 35 of this title any amount for any course in excess of the charges for tuition and fees which such institution requires similarly circumstanced nonveterans not receiving assistance under such chapters who are enrolled in the same course to pay, or

(2) instituted, after October 24, 1972, a policy or practice with respect to the payment of tui-

tion, fees, or other charges in the case of eligible veterans and the Secretary finds that the effect of such policy or practice substantially denies to veterans the benefits of the advance allowances under such section,

the Secretary may disapprove such educational institution for the enrollment of any eligible veteran or eligible person not already enrolled therein under this chapter or chapter 31, 34, or 35 of this title.

(b) DISCONTINUANCE OF ALLOWANCES.—(1) The Secretary may discontinue the educational assistance allowance of any eligible veteran or eligible person if the Secretary finds that the program of education or any course in which the veteran or person is enrolled fails to meet any of the requirements of this chapter or chapter 34 or 35 of this title, or if the Secretary finds that the educational institution offering such program or course has violated any provision of this chapter or chapter 34 or 35 of this title, or fails to meet any of the requirements of such chapters.

(2) Except as provided in paragraph (3) of this subsection, any action by the Secretary under paragraph (1) of this subsection to discontinue (including to suspend) assistance provided to any eligible veteran or eligible person under this chapter or chapter 31, 32, 34, or 35 of this title shall be based upon evidence that the veteran or eligible person is not or was not entitled to such assistance. Whenever the Secretary so discontinues any such assistance, the Secretary shall concurrently provide written notice to such veteran or person of such discontinuance and that such veteran or person is entitled thereafter to a statement of the reasons for such action and an opportunity to be heard thereon.

(3)(A) The Secretary may suspend educational assistance to eligible veterans and eligible persons already enrolled, and may disapprove the enrollment or reenrollment of any eligible veteran or eligible person, in any course as to which the Secretary has evidence showing a substantial pattern of eligible veterans or eligible persons, or both, who are receiving such assistance by virtue of their enrollment in such course but who are not entitled to such assistance because (i) the course approval requirements of this chapter are not being met, or (ii) the educational institution offering such course has violated one or more of the recordkeeping or reporting requirements of this chapter or chapter 30, 32, 33, 34, or 35 of this title.

(B) Action may be taken under subparagraph (A) of this paragraph only after—

(i) the Secretary provides to the State approving agency concerned and the educational institution concerned written notice of any such failure to meet such approval requirements and any such violation of such recordkeeping or reporting requirements;

(ii) such institution refuses to take corrective action or does not within 60 days after such notice (or within such longer period as the Secretary determines is reasonable and appropriate) take corrective action; and

(iii) the Secretary, not less than 30 days before taking action under such subparagraph, provides to each eligible veteran and eligible person already enrolled in such course written notice of the Secretary's intent to take such

action (and the reasons therefor) unless such corrective action is taken within such 60 days (or within such longer period as the Secretary has determined is reasonable and appropriate), and of the date on which the Secretary intends to take action under such subparagraph.

(c) EXAMINATION OF RECORDS.—Notwithstanding any other provision of law, the records and accounts of educational institutions pertaining to eligible veterans or eligible persons who received educational assistance under this chapter or chapter 31, 32, 34, or 35 of this title, as well as the records of other students which the Secretary determines necessary to ascertain institutional compliance with the requirements of such chapters, shall be available for examination by duly authorized representatives of the Government.

(d) FALSE OR MISLEADING STATEMENTS.—Whenever the Secretary finds that an educational institution has willfully submitted a false or misleading claim, or that a veteran or person, with the complicity of an educational institution, has submitted such a claim, the Secretary shall make a complete report of the facts of the case to the appropriate State approving agency and, where deemed advisable, to the Attorney General of the United States for appropriate action.

(b) For the purposes of housing loans under this chapter—

(2) The term "veteran" includes the surviving spouse of any veteran (including a person who died in the active military, naval, or air service) who died from a service-connected disability, but only if such surviving spouse is not eligible for benefits under this chapter on the basis of the spouse's own active duty. The active duty or service in the Selected Reserve of the deceased spouse shall be deemed to have been active duty or service in the Selected Reserve by such surviving spouse for the purposes of this chapter.

(3) The term "veteran" also includes, for purposes of home loans, the spouse of any member of the Armed Forces serving on active duty who is listed, pursuant to section 556 of title 37, United States Code, and regulations issued thereunder, by the Secretary concerned in one or more of the following categories and has been so listed for a total of more than ninety days: (A) missing in action, (B) captured in line of duty by a hostile force, or (C) forcibly detained or interned in line of duty by a foreign government or power. The active duty of the member shall be deemed to have been active duty by such spouse for the purposes of this chapter. The loan eligibility of such spouse under this paragraph shall be limited to one loan guaranteed or made for the acquisition of a home, and entitlement to such

§ 3702. Basic entitlement

(a)(1) The veterans described in paragraph (2) of this subsection are eligible for the housing loan benefits of this chapter. In the case of any veteran who served on active duty during two or more of the periods specified in paragraph (2) for which eligibility for the housing loan benefits under this chapter may be granted, entitlement derived from service during the most recent such period (A) shall cancel any unused entitlement derived from service during any earlier such period, and (B) shall be reduced by the amount by which entitlement from service during any earlier such period has been used to obtain a direct, guaranteed, or insured housing loan—

(i) on real property which the veteran owns at the time of application; or

(ii) as to which the Secretary has incurred actual liability or loss, unless in the event of loss or the incurrence and payment of such liability by the Secretary the resulting indebtedness of the veteran to the United States has been paid in full.

(2) The veterans referred to in the first sentence of paragraph (1) of this subsection are the following:

(A) Each veteran who served on active duty at any time during World War II, the Korean conflict, or the Vietnam era and whose total service was for 90 days or more.

(B) Each veteran who after September 15, 1940, was discharged or released from a period of active duty for a service-connected disability.

(C) Each veteran, other than a veteran described in clause (A) or (B) of this paragraph, who—

(i) served after July 25, 1947, for a period of more than 180 days and was discharged or released therefrom under conditions other than dishonorable; or

(ii) has served more than 180 days in active duty status and continues on active duty without a break therein.

(D) Each veteran who served on active duty for 90 days or more at any time during the Persian Gulf War, other than a veteran ineligible for benefits under this title by reason of section 5303A(b) of this title.

(E) Each veteran described in section 3701(b)(5) of this title.

(F) Each veteran who was discharged or released from a period of active duty of 90 days or more by reason of a sole survivorship discharge (as that term is defined in section 1174(i) of title 10).

(3) Any unused entitlement of World War II or Korean conflict veterans which expired under provisions of law in effect before October 23, 1970, is hereby restored and shall not expire until used.

(4) A veteran's entitlement under this chapter shall not be reduced by any entitlement used by the veteran's spouse which was based upon the provisions of paragraph (3) of section 3701(b) of this title.

(b) In computing the aggregate amount of guaranty or insurance housing loan entitlement available to a veteran under this chapter, the Secretary may exclude the amount of guaranty or insurance housing loan entitlement used for any guaranteed, insured, or direct loan under the following circumstances:

(1)(A) The property which secured the loan has been disposed of by the veteran or has been destroyed by fire or other natural hazard; and

(B) the loan has been repaid in full, or the Secretary has been released from liability as to the loan, or if the Secretary has suffered a loss on such loan, the loss has been paid in full.

(2) A veteran-transferee has agreed to assume the outstanding balance on the loan and consented to the use of the veteran-transferee's entitlement, to the extent that the entitlement of the veteran-transferor had been

used originally, in place of the veteran-transferor's for the guaranteed, insured, or direct loan, and the veteran-transferee otherwise meets the requirements of this chapter.

(3)(A) The loan has been repaid in full; and

(B) the loan for which the veteran seeks to use entitlement under this chapter is secured by the same property which secured the loan referred to in subparagraph (A) of this paragraph.

(4) In a case not covered by paragraph (1) or (2)—

(A) the loan has been repaid in full and, if the Secretary has suffered a loss on the loan, the loss has been paid in full; or

(B) the Secretary has been released from liability as to the loan and, if the Secretary has suffered a loss on the loan, the loss has been paid in full.

The Secretary may, in any case involving circumstances the Secretary deems appropriate, waive one or more of the conditions prescribed in paragraph (1). The authority of the Secretary under this subsection to exclude an amount of guaranty or insurance housing loan entitlement previously used by a veteran may be exercised only once for that veteran under the authority of paragraph (4).

(c) An honorable discharge shall be deemed to be a certificate of eligibility to apply for a guaranteed loan. Any veteran who does not have a discharge certificate, or who received a discharge other than honorable, may apply to the Secretary for a certificate of eligibility. Upon making a loan guaranteed or insured under this chapter, the lender shall forthwith transmit to the Secretary a report thereon in such detail as the Secretary may, from time to time, prescribe. Where the loan is guaranteed, the Secretary shall provide the lender with a loan guaranty certificate or other evidence of the guaranty. The Secretary shall also endorse on the veteran's discharge, or eligibility certificate, the amount and type of guaranty used, and the amount, if any, remaining. Nothing in this chapter shall preclude the assignment of any guaranteed loan or the security therefor.

(d) Housing loans will be automatically guaranteed under this chapter only if made (1) by any Federal land bank, national bank, State bank, private bank, building and loan association, insurance company, credit union, or mortgage and loan company, that is subject to examination and supervision by an agency of the United States or of any State, or (2) by any State, or (3) by any lender approved by the Secretary pursuant to standards established by the Secretary. Any housing loan proposed to be made to a veteran pursuant to this chapter by any lender not of a class specified in the preceding sentence may be guaranteed by the Secretary if the Secretary finds that it is in accord otherwise with the provisions of this chapter.

(e) The Secretary may at any time upon thirty days' notice require housing loans to be made by any lender or class of lenders to be submitted to the Secretary for prior approval. No guaranty or insurance liability shall exist with respect to any such loan unless evidence of guaranty or insurance is issued by the Secretary.

(f) Any housing loan at least 20 percent of which is guaranteed under this chapter may be

made by any national bank or Federal savings and loan association, or by any bank, trust company, building and loan association, or insurance company, organized or authorized to do business in the District of Columbia. Any such loan may be so made without regard to the limitations and restrictions of any other law relating to—

- (1) ratio of amount of loan to the value of the property;
- (2) maturity of loan;
- (3) requirement for mortgage or other security;
- (4) dignity of lien; or
- (5) percentage of assets which may be invested in real estate loans.

Section 415(f) of Pub. L. 100-322 provided that: "The status of any veteran with respect to benefits under chapter 37 of title 38, United States Code, shall not be affected by the amendments made by, or other provisions of, this section [see Tables for classification]."

§ 3703. Basic provisions relating to loan guaranty and insurance

(a)(1)(A) Any loan to a veteran eligible for benefits under this chapter, if made for any of the purposes specified in section 3710 of this title and in compliance with the provisions of this chapter, is automatically guaranteed by the United States in an amount not to exceed the lesser of—

(i)(I) in the case of any loan of not more than \$45,000, 50 percent of the loan;

(II) in the case of any loan of more than \$45,000, but not more than \$56,250, \$22,500;

(III) except as provided in subclause (IV) of this clause, in the case of any loan of more than \$56,250, the lesser of \$36,000 or 40 percent of the loan; or

(IV) in the case of any loan of more than \$144,000 for a purpose specified in clause (1), (2), (3), (5), (6), or (8) of section 3710(a) of this title, the lesser of the maximum guaranty amount (as defined in subparagraph (C)) or 25 percent of the loan; or

(ii) the maximum amount of guaranty entitlement available to the veteran as specified in subparagraph (B) of this paragraph.

(B) The maximum amount of guaranty entitlement available to a veteran for purposes speci-

fied in section 3710 of this title shall be \$36,000, or in the case of a loan described in subparagraph (A)(i)(IV) of this paragraph, the maximum guaranty amount (as defined in subparagraph (C)), reduced by the amount of entitlement previously used by the veteran under this chapter and not restored as a result of the exclusion in section 3702(b) of this title.

(C) In this paragraph, the term "maximum guaranty amount" means the dollar amount that is equal to 25 percent of the Freddie Mac conforming loan limit limitation determined under section 305(a)(2) of the Federal Home Loan Mortgage Corporation Act (12 U.S.C. 1454(a)(2)) for a single-family residence, as adjusted for the year involved.

(2)(A) Any housing loan which might be guaranteed under the provisions of this chapter, when made or purchased by any financial institution subject to examination and supervision by any agency of the United States or of any State may, in lieu of such guaranty, be insured by the Secretary under an agreement whereby the Secretary will reimburse any such institution for losses incurred on such loan up to 15 percent of the aggregate of loans so made or purchased by it.

(B) Loans insured under this section shall be made on such other terms, conditions, and restrictions as the Secretary may prescribe within the limitations set forth in this chapter.

(b) The liability of the United States under any guaranty, within the limitations of this chapter, shall decrease or increase pro rata with any decrease or increase of the amount of the unpaid portion of the obligation.

(c)(1) Loans guaranteed or insured under this chapter shall be payable upon such terms and conditions as may be agreed upon by the parties thereto, subject to the provisions of this chapter and regulations of the Secretary issued pursuant to this chapter, and shall bear interest not in excess of such rate as the Secretary may from time to time find the loan market demands, except that in establishing the rate of interest that shall be applicable to such loans, the Secretary shall consult with the Secretary of Housing and Urban Development regarding the rate of interest applicable to home loans insured under section 203(b) of the National Housing Act (12 U.S.C. 1709(b)). In establishing rates of interest under this paragraph for one or more of the purposes described in clauses (4) and (7) of section 3710(a) of this title, the Secretary may establish a rate or rates higher than the rate specified for other purposes under such section, but any such rate may not exceed such rate as the Secretary may from time to time find the loan market demands for loans for such purposes.

(2) The provisions of the Servicemen's Readjustment Act of 1944 which were in effect before April 1, 1958, with respect to the interest chargeable on loans made or guaranteed under such Act shall, notwithstanding the provisions of paragraph (1) of this subsection, continue to be applicable—

(A) to any loan made or guaranteed before April 1, 1958; and

(B) to any loan with respect to which a commitment to guarantee was entered into by the Secretary before April 1, 1958.

(3) This section shall not be construed to prohibit a veteran from paying to a lender any reasonable discount required by such lender, when the proceeds from the loan are to be used—

(A) to refinance indebtedness pursuant to clause (5), (8), or (9)(B)(i) of section 3710(a) of this title or section 3712(a)(1)(F) of this title;

(B) to repair, alter, or improve a farm residence or other dwelling pursuant to clauses (4) and (7) of section 3710(a) of this title;

(C) to construct a dwelling or farm residence on land already owned or to be acquired by the veteran except where the land is directly or indirectly acquired from a builder or developer who has contracted to construct such dwelling for the veteran;

(D) to purchase a dwelling from a class of sellers which the Secretary determines are legally precluded under all circumstances from paying such a discount if the best interest of the veteran would be so served; or

(E) to refinance indebtedness and purchase a manufactured-home lot pursuant to section 3710(a)(9)(B)(ii) or 3712(a)(1)(G) of this title, but only with respect to that portion of the loan used to refinance such indebtedness.

(4)(A) In guaranteeing or insuring loans under this chapter, the Secretary may elect whether to require that such loans bear interest at a rate that is—

(i) agreed upon by the veteran and the mortgagee; or

(ii) established under paragraph (1).

The Secretary may, from time to time, change the election under this subparagraph.

(B) Any veteran, under a loan described in subparagraph (A)(i), may pay reasonable discount points in connection with the loan. Except in the case of a loan for the purpose specified in section 3710(a)(8), 3710(b)(7), or 3712(a)(1)(F) of this title, discount points may not be financed as part of the principal amount of a loan guaranteed or insured under this chapter.

(C) Not later than 10 days after an election under subparagraph (A), the Secretary shall transmit to the Committees on Veterans' Affairs of the Senate and House of Representatives a notification of the election, together with an explanation of the reasons therefor.

(d)(1) The maturity of any housing loan at the time of origination shall not be more than thirty years and thirty-two days.

(2)(A) Any loan for a term of more than five years shall be amortized in accordance with established procedure.

(B) The Secretary may guarantee loans with provisions for various rates of amortization corresponding to anticipated variations in family income. With respect to any loan guaranteed under this subparagraph—

(i) the initial principal amount of the loan may not exceed the reasonable value of the property as of the time the loan is made; and

(ii) the principal amount of the loan thereafter (including the amount of all interest to be deferred and added to principal) may not at any time be scheduled to exceed the projected value of the property.

(C) For the purposes of subparagraph (B) of this paragraph, the projected value of the prop-

erty shall be calculated by the Secretary by increasing the reasonable value of the property as of the time the loan is made at a rate not in excess of 2.5 percent per year, but in no event may the projected value of the property for the purposes of such subparagraph exceed 115 percent of such reasonable value. A loan made for a purpose other than the acquisition of a single-family dwelling unit may not be guaranteed under such subparagraph.

(3) Any real estate housing loan (other than for repairs, alterations, or improvements) shall be secured by a first lien on the realty. In determining whether a loan for the purchase or construction of a home is so secured, the Secretary may disregard a superior lien created by a duly recorded covenant running with the realty in favor of a private entity to secure an obligation to such entity for the homeowner's share of the costs of the management, operation, or maintenance of property, services or programs within and for the benefit of the development or community in which the veteran's realty is located, if the Secretary determines that the interests of the veteran borrower and of the Government will not be prejudiced by the operation of such covenant. In respect to any such superior lien to be created after June 6, 1969, the Secretary's determination must have been made prior to the recordation of the covenant.

(e)(1) Except as provided in paragraph (2) of this subsection, an individual who pays a fee under section 3729 of this title, or who is exempted under section 3729(c) of this title from paying such fee, with respect to a housing loan guaranteed or insured under this chapter that is closed after December 31, 1989, shall have no liability to the Secretary with respect to the loan for any loss resulting from any default of such individual except in the case of fraud, misrepresentation, or bad faith by such individual in obtaining the loan or in connection with the loan default.

(2) The exemption from liability provided by paragraph (1) of this subsection shall not apply to—

(A) an individual from whom a fee is collected (or who is exempted from such fee) under section 3729(b)(2)(I) of this title; or

(B) a loan made for any purpose specified in section 3712 of this title.

(f) The application for or obtaining of a loan made, insured, or guaranteed under this chapter shall not be subject to reporting requirements applicable to requests for, or receipts of, Federal contracts, grants, loans, loan guarantees, loan insurance, or cooperative agreements except to the extent that such requirements are provided for in, or by the Secretary pursuant to, this title.

§ 3704. Restrictions on loans

(a) No loan for the purchase or construction of residential property shall be financed through the assistance of this chapter unless the prop-

erty meets or exceeds minimum requirements for planning, construction, and general acceptability prescribed by the Secretary; however, this subsection shall not apply to a loan for the purchase of residential property on which construction is fully completed more than one year before such loan is made.

(b) Subject to notice and opportunity for a hearing, the Secretary may refuse to appraise any dwelling or housing project owned, sponsored, or to be constructed by any person identified with housing previously sold to veterans under this chapter as to which substantial deficiencies have been discovered, or as to which there has been a failure or indicated inability to discharge contractual liabilities to veterans, or as to which it is ascertained that the type of contract of sale or the methods or practices pursued in relation to the marketing of such properties were unfair or unduly prejudicial to veteran purchasers. The Secretary may also refuse to appraise any dwelling or housing project owned, sponsored, or to be constructed by any person refused the benefits of participation under the National Housing Act pursuant to a determination of the Secretary of Housing and Urban Development.

(c)(1) Except as provided in paragraph (2) of this subsection, no loan for the purchase or construction of residential property shall be financed through the assistance of this chapter unless the veteran applicant, at the time that the veteran applies for the loan, and also at the time that the loan is closed, certifies in such form as the Secretary may require, that the veteran intends to occupy the property as the veteran's home. Except as provided in paragraph (2) of this subsection, no loan for the repair, alteration, or improvement of residential property shall be financed through the assistance of the provisions of this chapter unless the veteran applicant, at the time that the veteran applies to the lender for the loan, and also at the time that the loan is closed, certifies, in such form as may be required by the Secretary, that the veteran occupies the property as the veteran's home. Notwithstanding the foregoing provisions of this subsection, in the case of a loan automatically guaranteed under this chapter, the veteran shall be required to make the certification only at the time the loan is closed. For the purposes of this chapter the requirement that the veteran recipient of a guaranteed or direct home loan must occupy or intend to occupy the property as the veteran's home means that the veteran as of the date of the veteran's certification actually lives in the property personally as the veteran's residence or actually intends upon completion of the loan and acquisition of the dwelling unit to move into the property personally within a reasonable time and to utilize such property as the veteran's residence. Notwithstanding the foregoing requirements of this subsection, the provisions for certification by the veteran at the time the veteran applies for the loan and at the time the loan is closed shall be considered to be satisfied if the Secretary finds that (1) in the case of a loan for repair, alteration, or improvement the veteran in fact did occupy the property at such times, or (2) in the case of a loan for construction or purchase the veteran intended to

occupy the property as the veteran's home at such times and the veteran did in fact so occupy it when, or within a reasonable time after, the loan was closed.

(2) In any case in which a veteran is in active duty status as a member of the Armed Forces and is unable to occupy a property because of such status, the occupancy requirements of—

- (A) paragraph (1) of this subsection;
- (B) paragraphs (1) through (5) and paragraph (7) of section 3710(a) of this title;
- (C) section 3712(a)(5)(A)(i) of this title; and
- (D) section 3712(e)(5) of this title;

shall be considered to be satisfied if the spouse of the veteran occupies the property as the spouse's home and the spouse makes the certification required by paragraph (1) of this subsection.

(d) Subject to notice and opportunity for a hearing, whenever the Secretary finds with respect to guaranteed or insured loans that any lender or holder has failed to maintain adequate loan accounting records, or to demonstrate proper ability to service loans adequately or to exercise proper credit judgment or has willfully or negligently engaged in practices otherwise detrimental to the interest of veterans or of the Government, the Secretary may refuse either temporarily or permanently to guarantee or insure any loans made by such lender or holder and may bar such lender or holder from acquiring loans guaranteed or insured under this chapter; however, the Secretary shall not refuse to pay a guaranty or insurance claim on loans theretofore entered into in good faith between a veteran and such lender. The Secretary may also refuse either temporarily or permanently to guarantee or insure any loans made by a lender or holder refused the benefits of participation under the National Housing Act pursuant to a determination of the Secretary of Housing and Urban Development.

(e) Any housing loan which is financed through the assistance of this chapter and to which section 3714 of this chapter applies shall include a provision that the loan is immediately due and payable upon transfer of the property securing such loan to any transferee unless the acceptability of the assumption of the loan is established pursuant to such section 3714.

(f) A loan for the purchase or construction of new residential property, the construction of which began after the energy efficiency standards under section 109 of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12709), as amended by section 101(c) of the Energy Policy Act of 1992, take effect, may not be financed through the assistance of this chapter unless the new residential property is constructed in compliance with such standards.

If there is an indebtedness which is secured by a lien against land owned by the veteran, the proceeds of a loan guaranteed under this section or made under section 3711 of this title for construction of a dwelling or farm residence on such land may be used also to liquidate such lien, but only if the reasonable value of the land is equal to or greater than the amount of the lien.

(A) a construction loan,

(B) an installment land sales contract, or

A loan may be guaranteed under this subsection only if it meets the requirements of this chapter, except as those requirements are modified by this subsection.

(2) The cost of energy efficiency measures that may be financed by a loan guaranteed under this section may not exceed the greater of—

(A) the cost of the energy efficiency improvements, up to \$3,000; or

(B) \$6,000, if the increase in the monthly payment for principal and interest does not exceed the likely reduction in monthly utility costs resulting from the energy efficiency improvements.

(3) Notwithstanding the provisions of section 3703(a)(1)(A) of this title, any loan guaranteed under this subsection shall be guaranteed in an amount equal to the sum of—

(A) the guaranty that would be provided under those provisions for the dwelling without the energy efficiency improvements; and

(B) an amount that bears the same relation to the cost of the energy efficiency improvements as the guaranty referred to in subparagraph (A) bears to the amount of the loan minus the cost of such improvements.

(4) The amount of the veteran's entitlement, calculated in accordance with section 3703(a)(1)(B) of this title, shall not be affected by the amount of the guaranty referred to in paragraph (3)(B).

(5) The Secretary shall take appropriate actions to notify eligible veterans, participating lenders, and interested realtors of the availability of loan guarantees under this subsection and the procedures and requirements that apply to the obtaining of such guarantees.

(6) For the purposes of this subsection:

(A) The term "energy efficiency improvement" includes a solar heating system, a solar

heating and cooling system, or a combined solar heating and cooling system, and the application of a residential energy conservation measure.

(B) The term "solar heating" has the meaning given such term in section 3(1) of the Solar Heating and Cooling Demonstration Act of 1974 (42 U.S.C. 5502(1)) and, in addition, includes a passive system based on conductive, convective, or radiant energy transfer.

(C) The terms "solar heating and cooling" and "combined solar heating and cooling" have the meaning given such terms in section 3(2) of the Solar Heating and Cooling Demonstration Act of 1974 (42 U.S.C. 5502(2)) and, in addition, include a passive system based on conductive, convective, or radiant energy transfer.

(D) The term "passive system" includes window and skylight glazing, thermal floors, walls, and roofs, movable insulation panels (when in conjunction with glazing), portions of a residential structure that serve as solar furnaces so as to add heat to the structure, double-pane window insulation, and such other energy-related components as are determined by the Secretary to enhance the natural transfer of energy for the purpose of heating or heating and cooling a residence.

(E) The term "residential energy conservation measure" means—

(i) caulking and weatherstripping of all exterior doors and windows;

(ii) furnace efficiency modifications limited to—

(I) replacement burners, boilers, or furnaces designed to reduce the firing rate or to achieve a reduction in the amount of fuel consumed as a result of increased combustion efficiency,

(II) devices for modifying flue openings which will increase the efficiency of the heating system, and

(III) electrical or mechanical furnace ignition systems which replace standing gas pilot lights;

(iii) clock thermostats;

(v) water heater insulation;

(vi) storm windows and doors;

(vii) heat pumps; and

(viii) such other energy conservation measures as the Secretary may identify for the purposes of this subparagraph.

(e)(1) For a loan to be guaranteed for the purpose specified in subsection (a)(8) or for the purpose specified in subsection (a)(11) of this section—

(A) the interest rate of the loan must be less than the interest rate of the loan being refinanced or, in a case in which the loan is a fixed rate loan and the loan being refinanced is an adjustable rate loan, the loan bears interest at a rate that is agreed upon by the veteran and the mortgagee;

(B) the loan must be secured by the same dwelling or farm residence as was the loan being refinanced;

(C) the amount of the loan may not exceed—

(i) an amount equal to the sum of the balance of the loan being refinanced and such closing costs (including any discount permitted pursuant to section 3703(c)(3)(A) of this title) as may be authorized by the Secretary (under regulations which the Secretary shall prescribe) to be included in the loan; or

(ii) in the case of a loan for the purpose specified in subsection (a)(11), an amount equal to the sum of the amount referred to with respect to the loan under clause (i) and the amount specified under subsection (d)(2);

(D) notwithstanding section 3703(a)(1) of this title, the amount of the guaranty of the loan may not exceed the greater of (i) the original guaranty amount of the loan being refinanced, or (ii) 25 percent of the loan;

(E) the term of the loan may not exceed the original term of the loan being refinanced by more than 10 years; and

(F) the veteran must own the dwelling or farm residence securing the loan and—

(i) must occupy such dwelling or residence as such veteran's home;

(ii) must have previously occupied such dwelling or residence as such veteran's home and must certify, in such form as the Secretary shall require, that the veteran has previously so occupied such dwelling or residence; or

(iii) in any case in which a veteran is in active duty status as a member of the Armed Forces and is unable to occupy such residence or dwelling as a home because of such status, the spouse of the veteran must occupy, or must have previously occupied, such dwelling or residence as such spouse's home and must certify such occupancy in such form as the Secretary shall require.

(2) A loan to a veteran may be guaranteed by the Secretary under this chapter for the purpose specified in clause (8) of subsection (a) of this section without regard to the amount of outstanding guaranty entitlement available for use by such veteran, and the amount of such veteran's guaranty entitlement shall not be charged as a result of any guaranty provided for such purpose. For purposes of section 3702(b) of this title, such loan shall be deemed to have been obtained with the guaranty entitlement used to obtain the loan being refinanced.

(3) If a veteran is deceased and if such veteran's surviving spouse was a co-obligor under an existing loan guaranteed, insured, or made under this chapter, such surviving spouse shall, only for the purpose specified in subsection (a)(8) of this section, be deemed to be a veteran eligible for benefits under this chapter.

(f)(1) For a loan to be guaranteed for the purpose specified in subclause (A)(ii) or (B)(ii) of subsection (a)(9) of this section, the purchase of (or the refinancing of a loan secured by) the manufactured home and the lot for that home shall be considered as one loan and must comply with such criteria as may be prescribed by the Secretary in regulations.

(2) A loan may not be guaranteed for the purposes of subsection (a)(9) of this section unless the manufactured home purchased, upon being

permanently affixed to the lot, is considered to be real property under the laws of the State where the lot is located.

(g)(1) For the purposes of this subsection, the term “veteran”, when used with respect to a loan guaranteed or to be guaranteed under this chapter, includes the veteran’s spouse if the spouse is jointly liable with the veteran under the loan.

(2) For the purpose of determining whether a veteran meets the standards referred to in subsection (b)(3) of this section and section 3712(e)(2) of this title, the Secretary shall prescribe regulations which establish—

(A) credit underwriting standards to be used in evaluating loans to be guaranteed under this chapter; and

(B) standards to be used by lenders in obtaining credit information and processing loans to be guaranteed under this chapter.

(3) In the regulations prescribed under paragraph (2) of this subsection, the Secretary shall establish standards that include—

(A) debt-to-income ratios to apply in the case of the veteran applying for the loan;

(B) criteria for evaluating the reliability and stability of the income of the veteran applying for the loan; and

(C) procedures for ascertaining the monthly income required by the veteran to meet the anticipated loan payment terms.

If the procedures described in clause (C) of this paragraph include standards for evaluating residual income, the Secretary shall, in establishing such standards, give appropriate consideration to State statistics (in States as to which the Secretary determines that such statistics are reliable) pertinent to residual income and the cost of living in the State in question rather than in a larger region.

(4)(A) Any lender making a loan under this chapter shall certify, in such form as the Secretary shall prescribe, that the lender has complied with the credit information and loan processing standards established under paragraph (2)(B) of this subsection, and that, to the best of the lender’s knowledge and belief, the loan meets the underwriting standards established under paragraph (2)(A) of this subsection.

(B) Any lender who knowingly and willfully makes a false certification under subparagraph (A) of this paragraph shall be liable to the United States Government for a civil penalty equal to two times the amount of the Secretary’s loss on the loan involved or to another appropriate amount, not to exceed \$10,000, whichever is greater. All determinations necessary to carry out this subparagraph shall be made by the Secretary.

(5) Pursuant to regulations prescribed to carry out this paragraph, the Secretary may, in extraordinary situations, waive the application of the credit underwriting standards established under paragraph (2) of this subsection when the Secretary determines, considering the totality of circumstances, that the veteran is a satisfactory credit risk.

(h)(1) A loan may not be guaranteed under subsection (a)(12) unless—

(A) the development, project, or structure of the cooperative housing corporation complies

with such criteria as the Secretary prescribes in regulations; and

(B) the dwelling unit that the purchase of stock or membership in the development, project, or structure of the cooperative housing corporation entitles the purchaser to occupy is a single family residential unit.

(2) In this subsection, the term “cooperative housing corporation” has the meaning given such term in section 216(b)(1) of the Internal Revenue Code of 1986.

(3) When applying the term “value of the property” to a loan guaranteed under subsection (a)(12), such term means the appraised value of the stock or membership entitling the purchaser to the permanent occupancy of the dwelling unit in the development, project, or structure of the cooperative housing corporation.

§ 3711. Direct loans to veterans

(a) The Congress finds that housing credit for purposes specified in section 3710 or 3712 of this title is not and has not been generally available to veterans living in rural areas, or in small cities and towns not near large metropolitan areas. It is therefore the purpose of this section to provide housing credit for veterans living in such rural areas and such small cities and towns.

(b) Whenever the Secretary finds that private capital is not generally available in any rural area or small city or town for the financing of loans guaranteed for purposes specified in section 3710 or 3712 of this title, the Secretary shall designate such rural area or small city or town as a “housing credit shortage area”. The Secretary shall, with respect to any such area, make, or enter into commitments to make, to any veteran eligible under this title, a loan for any or all of the purposes described in section 3710(a) or 3712 of this title (other than the refinancing of a loan under section 3710(a)(8) or 3712(a)(1)(F)).

(c) No loan may be made under this section to a veteran unless the veteran shows to the satisfaction of the Secretary that—

(1) the veteran is unable to obtain from a private lender in such housing credit shortage area, at an interest rate not in excess of the rate authorized for guaranteed home loans or manufactured home loans, as appropriate, a loan for such purpose for which the veteran is qualified under section 3710 or 3712 of this title, as appropriate; and

(2) the veteran is unable to obtain a loan for such purpose from the Secretary of Agriculture under title III of the Consolidated Farm and Rural Development Act (7 U.S.C. 1921 et seq.) or title V of the Housing Act of 1949 (42 U.S.C. 1471 et seq.).

(d)(1) Loans made under this section shall bear interest at a rate determined by the Secretary, not to exceed the rate authorized for guaranteed home loans, or manufactured home loans, as appropriate, and shall be subject to such requirements or limitations prescribed for loans guaranteed under this title as may be applicable.

(2)(A) Except for any loan made under this chapter for the purposes described in section 3712 of this title, the original principal amount of any loan made under this section shall not exceed an amount which bears the same ratio to \$33,000 as the amount of guaranty to which the veteran is entitled under section 3710 of this title at the time the loan is made bears to \$36,000; and the guaranty entitlement of any veteran who heretofore or hereafter has been granted a loan under this section shall be charged with an amount which bears the same ratio to \$36,000 as the amount of the loan bears to \$33,000.

(B) The original principal amount of any loan made under this section for the purposes described in section 3712 of this title shall not exceed the amount that bears the same ratio to \$33,000 as the amount of guaranty to which the veteran is entitled under such section at the

time the loan is made bears to \$20,000. The amount of the guaranty entitlement for purposes specified in section 3710 of this title of any veteran who is granted a loan under this section, or who before October 18, 1978, was granted a loan under this section, shall be charged with the amount that bears the same ratio to \$20,000 as the amount of the loan bears to \$33,000.

(3) No veteran may obtain loans under this section aggregating more than \$33,000.

(e) Loans made under this section shall be repaid in monthly installments, except that in the case of any such loan made for any of the purposes described in paragraphs (2), (3), or (4) of section 3710(a) of this title, the Secretary may provide that such loan shall be repaid in quarterly, semiannual, or annual installments.

(f) In connection with any loan under this section, the Secretary may make advances in cash to pay taxes and assessments on the real estate, to provide for repairs, alterations, and improvements, and to meet the incidental expenses of the transaction. The Secretary shall determine the expenses incident to origination of loans made under this section, which expenses, or a reasonable flat allowance in lieu thereof, shall be paid by the veteran in addition to the loan closing costs.

(g) The Secretary may sell, and shall offer for sale, to any person or entity approved for such purpose by the Secretary, any loan made under this section at a price which the Secretary determines to be reasonable under the conditions prevailing in the mortgage market when the agreement to sell the loan is made; and shall guarantee any loan thus sold subject to the same conditions, terms, and limitations which would be applicable were the loan guaranteed for purposes specified in section 3710 or 3712 of this title, as appropriate.

(h) The Secretary may exempt dwellings constructed through assistance provided by this section from the minimum land planning and subdivision requirements prescribed pursuant to subsection (a) of section 3704 of this title, and with respect to such dwellings may prescribe special minimum land planning and subdivision requirements which shall be in keeping with the general housing facilities in the locality but shall require that such dwellings meet minimum requirements of structural soundness and general acceptability.

(i) The Secretary is authorized, without regard to the provisions of subsections (a), (b), and (c) of this section, to make or enter into a commitment to make a loan to any veteran to assist the veteran in acquiring a specially adapted housing unit authorized under chapter 21 of this title, if the veteran is determined to be eligible for the benefits of such chapter 21, and is eligible for loan guaranty benefits under this chapter.

(j)(1) If any builder or sponsor proposes to construct one or more dwellings in a housing credit shortage area, or in any area for a veteran who is determined to be eligible for assistance in acquiring a specially adapted housing unit under chapter 21 of this title, the Secretary may enter into commitment with such builder or sponsor, under which funds available for loans under this section will be reserved for a period not in ex-

cess of three months, or such longer period as the Secretary may authorize to meet the needs in any particular case, for the purpose of making loans to veterans to purchase such dwellings. Such commitment may not be assigned or transferred except with the written approval of the Secretary. The Secretary shall not enter into any such commitment unless such builder or sponsor pays a nonrefundable commitment fee to the Secretary in an amount determined by the Secretary, not to exceed 2 percent of the funds reserved for such builder or sponsor.

(2) Whenever the Secretary finds that a dwelling with respect to which funds are being reserved under this subsection has been sold, or contracted to be sold, to a veteran eligible for a direct loan under this section, the Secretary shall enter into a commitment to make the veteran a loan for the purchase of such dwelling. With respect to any loan made to an eligible veteran under this subsection, the Secretary may make advances during the construction of the dwelling, up to a maximum in advances of (A) the cost of the land plus (B) 80 percent of the value of the construction in place.

(k) Without regard to any other provision of this chapter, the Secretary may take or cause to be taken such action as in the Secretary's judgment may be necessary or appropriate for or in connection with the custody, management, protection, and realization or sale of investments under this section, may determine the Secretary's necessary expenses and expenditures, and the manner in which the same shall be incurred, allowed and paid, may make such rules, regulations, and orders as the Secretary may deem necessary or appropriate for carrying out the Secretary's functions under this section and, except as otherwise expressly provided in this chapter, may employ, utilize, compensate, and, to the extent not inconsistent with the Secretary's basic responsibilities under this chapter, delegate any of the Secretary's functions under this section to such persons and such corporate or other agencies, including agencies of the United States, as the Secretary may designate.

(II) must have previously occupied the home, a manufactured home on the lot, or the home and the lot, securing the loan as the veteran's home and must certify, in such form as the Secretary shall require, that the veteran has previously so occupied the home (or such a home on the lot); or

(III) in any case in which a veteran is in active duty status as a member of the Armed Forces and is unable to occupy the home, a manufactured home on the lot, or the home and the lot, as a home because of such status, the spouse of the veteran must occupy, or must have previously occupied, the manufactured home on the lot, or the home and the lot, as such spouse's home and must certify such occupancy in such form as the Secretary shall require.

(B) A loan to a veteran may be guaranteed by the Secretary under this chapter for the purpose specified in clause (F) of paragraph (1) of this subsection without regard to the amount of outstanding guaranty entitlement available for use by such veteran, and the amount of such veteran's guaranty entitlement shall not be charged as a result of any guaranty provided for such

purpose. For purposes of section 3702(b) of this title, such loan shall be deemed to have been obtained with the guaranty entitlement used to obtain the loan being refinanced.

(C) If a veteran is deceased and if such veteran's surviving spouse was a co-obligor under an existing loan previously guaranteed, insured, or made for purposes specified in this section, such surviving spouse shall, only for the purpose specified in clause (F) of paragraph (1) of this subsection, be deemed to be a veteran eligible for benefits under this chapter.

(5)(A) For a loan to be guaranteed for the purpose specified in paragraph (1)(G) of this subsection or section 3710(a)(9)(B)(ii) of this title—

(i) the loan must be secured by the same manufactured home as was the loan being refinanced and such manufactured home must be owned and occupied by the veteran (except as provided in section 3704(c)(2) of this title) as such veteran's home; and

(ii) the amount of the loan may not exceed an amount equal to the sum of—

(I) the purchase price of the lot,

(II) the amount (if any) determined by the Secretary to be appropriate under paragraph (2) of this subsection to cover the cost of necessary preparation of such lot,

(III) the balance of the loan being refinanced, and

(IV) such closing costs (including any discount permitted pursuant to section 3703(c)(3)(E) of this title) as may be authorized by the Secretary, under regulations which the Secretary shall prescribe, to be included in such loan.

(B) When a loan is made to a veteran for the purpose specified in paragraph (1)(G) of this subsection or section 3710(a)(9)(B)(ii) of this title, and the loan being refinanced was guaranteed, insured, or made under this section, the portion of the loan made for the purpose of refinancing such loan may be guaranteed by the Secretary under this chapter without regard to the amount of outstanding guaranty entitlement available for use by such veteran, and the amount of such veteran's guaranty entitlement shall not be charged as a result of any guaranty provided for such portion of such loan. For the purposes of section 3702(b) of this title, such portion of such loan shall be deemed to have been obtained with the guaranty entitlement used to obtain the loan being refinanced.

(b)(1) Use of entitlement for purposes specified in this section for the purchase of a manufactured home unit shall preclude the use of remaining entitlement for the purchase of an additional manufactured home unit until the unit which secured the loan has been disposed of by the veteran or has been destroyed by fire or other natural hazard.

(2) The Secretary shall restore entitlement to all housing loan benefits under this chapter for the veteran when the conditions prescribed in section 3702(b) of this title have been met.

(c)(1) Loans for any of the purposes authorized by subsection (a) of this section shall be submitted to the Secretary for approval prior to the closing of the loan, except that the Secretary may exempt any lender of a class listed in section 3702(d) of this title from compliance with

such prior approval requirement if the Secretary determines that the experience of such lender or class of lenders in manufactured home financing warrants such exemption.

(2) Upon determining that a loan submitted for prior approval is eligible for guaranty for purposes specified in this section, the Secretary shall issue a commitment to guarantee such loan and shall thereafter guarantee the loan when made if such loan qualifies therefor in all respects.

(3)(A) The Secretary's guaranty may not exceed the lesser of (i) the lesser of \$20,000 or 40 percent of the loan, or (ii) the maximum amount of the guaranty entitlement available to the veteran as specified in paragraph (4) of this subsection.

(B) A claim under the Secretary's guaranty shall, at the election of the holder of a loan, be made by the filing of an accounting with the Secretary—

(i) within a reasonable time after the receipt by such holder of an appraisal by the Secretary of the value of the security for the loan; or

(ii) after liquidation of the security for the loan.

(C) If the holder of a loan applies for payment of a claim under clause (i) of subparagraph (B) of this paragraph, the amount of such claim payable by the Secretary shall be the lesser of—

(i) the amount equal to the excess, if any, of the total indebtedness over the amount of the appraisal referred to in such clause; or

(ii) the amount equal to the guaranty under this section.

(D) If the holder of a loan files for payment of a claim under clause (ii) of subparagraph (B) of this paragraph, the amount of such claim payable by the Secretary shall be the lesser of—

(i) the amount equal to the excess, if any, of the total indebtedness over the greater of the value of the property securing the loan, as determined by the Secretary, or the amount of the liquidation or resale proceeds; or

(ii) the amount equal to the guaranty under this section.

(E) In any accounting filed pursuant to subparagraph (B)(ii) of this paragraph, the Secretary shall permit to be included therein accrued unpaid interest from the date of the first uncured default to such cutoff date as the Secretary may establish, and the Secretary shall allow the holder of the loan to charge against the liquidation or resale proceeds accrued interest from the cutoff date established to such further date as the Secretary may determine and such costs and expenses as the Secretary determines to be reasonable and proper.

(F) The liability of the United States under the guaranty provided for by this paragraph shall decrease or increase pro rata with any decrease or increase of the amount of the unpaid portion of the obligation.

(4) The maximum amount of guaranty entitlement available to a veteran for purposes specified in this section shall be \$20,000 reduced by the amount of any such entitlement previously used by the veteran. Use of entitlement for purposes specified in section 3710 or 3711 of this title

shall reduce entitlement available for use for purposes specified in this section to the same extent that entitlement available for purposes specified in such section 3710 is reduced below \$20,000.

(5) The amount of any loan guaranteed for purposes specified in this section shall not exceed an amount equal to 95 percent of the purchase price of the property securing the loan.

(d)(1) The maturity of any loan guaranteed for purposes specified in this section shall not be more than—

(A) fifteen years and thirty-two days, in the case of a loan for the purchase of a lot;

(B) twenty years and thirty-two days, in the case of a loan for the purchase of—

(i) a single-wide manufactured home; or

(ii) a single-wide manufactured home and a lot;

(C) twenty-three years and thirty-two days, in the case of a loan for the purchase of a double-wide manufactured home; or

(D) twenty-five years and thirty-two days, in the case of a loan for the purchase of a double-wide manufactured home and a lot.

(2) Nothing in paragraph (1) of this subsection shall preclude the Secretary, under regulations which the Secretary shall prescribe, from consenting to necessary advances for the protection of the security or the holder's lien, to a reasonable extension of the term of such loan, or to a reasonable reamortization of such loan.

(e) No loan shall be guaranteed for purposes specified in this section unless—

(1) the loan is repayable in approximately equal monthly installments;

(2) the terms of repayment bear a proper relationship to the veteran's present and anticipated income and expenses, and the veteran is a satisfactory credit risk, as determined in accordance with the regulations prescribed under section 3710(g) of this title and taking into account the purpose of this program to make available lower cost housing to low and lower income veterans, especially those who have been recently discharged or released from active military, naval, or air service, who may not have previously established credit ratings;

(3) the loan is secured by a first lien on the manufactured home purchased with the proceeds of the loan and on any lot acquired or improved with the proceeds of the loan;

(4) the amount of the loan to be paid by the veteran is not in excess of the amount determined to be reasonable, based upon—

(A) with respect to any portion of the loan to purchase a new manufactured home, such cost factors as the Secretary considers proper to take into account;

(B) with respect to any portion of the loan to purchase a used manufactured home, the reasonable value of the property, as determined by the Secretary;

(C) with respect to any portion of the loan to purchase a lot, the reasonable value of such lot, as determined by the Secretary; and

(D) with respect to any portion of the loan to cover the cost of necessary site preparation, an appropriate amount, as determined by the Secretary;

(5) the veteran certifies, in such form as the Secretary shall prescribe, that the veteran will personally occupy the property as the veteran's home; except that the requirement of this clause shall not apply (A) in the case of a guaranteed loan that is for the purpose described in paragraph (1)(F) of subsection (a), or (B) in the case described in section 3704(c)(2);

(6) the manufactured home is or will be placed on a site which meets specifications which the Secretary shall establish by regulation; and

(7) the interest rate to be charged on the loan does not exceed the permissible rate established by the Secretary.

(f) The Secretary shall establish such rate of interest for manufactured home loans and manufactured home lot loans as the Secretary determines to be necessary in order to assure a reasonable supply of manufactured home loan financing for veterans for purposes specified in this section.

(g) The Secretary shall promulgate such regulations as the Secretary determines to be necessary or appropriate in order to fully implement the provisions of this section, and such regulations may specify which provisions in other sections of this chapter the Secretary determines should be applicable to loans guaranteed or made for purposes specified in this section. The Secretary shall have such powers and responsibilities in respect to matters arising under this section as the Secretary has in respect to loans made or guaranteed or under other sections of this chapter.

(h)(1) No loan for the purchase of a manufactured home shall be guaranteed for purposes specified in this section unless the manufactured home and lot, if any, meet or exceed standards for planning, construction, and general acceptability as prescribed by the Secretary and no loan for the purchase of a lot on which to place a manufactured home owned by a veteran shall be guaranteed for purposes specified in this section unless the lot meets such standards prescribed for manufactured home lots. Such standards shall be designed to encourage the maintenance and development of sites for manufactured homes which will be attractive residential areas and which will be free from, and not substantially contribute to, adverse scenic or environmental conditions.

(2) Any manufactured housing unit properly displaying a certification of conformity to all applicable Federal manufactured home construction and safety standards pursuant to section 616 of the National Manufactured Housing Construction and Safety Standards Act of 1974 (42 U.S.C. 5415) shall be deemed to meet the standards required by paragraph (1).

(i) The Secretary shall require the manufacturer to become a warrantor of any new manufactured home which is approved for purchase with financing through the assistance of this chapter and to furnish to the purchaser a written warranty in such form as the Secretary shall require. Such warranty shall include (1) a specific statement that the manufactured home meets the standards prescribed by the Secretary pursuant to the provisions of subsection (h) of this section; and (2) a provision that the war-

rantor's liability to the purchaser or owner is limited under the warranty to instances of substantial nonconformity to such standards which become evident within one year from date of purchase and as to which the purchaser or owner gives written notice to the warrantor not later than ten days after the end of the warranty period. The warranty prescribed herein shall be in addition to, and not in derogation of, all other rights and privileges which such purchaser or owner may have under any other law or instrument and shall so provide in the warranty document.

(j) Subject to notice and opportunity for a hearing, the Secretary is authorized to deny guaranteed or direct loan financing in the case of—

(1) manufactured homes constructed by a manufacturer who fails or is unable to discharge the manufacturer's obligations under the warranty;

(2) manufactured homes which are determined by the Secretary not to conform to the standards provided for in subsection (h); or

(3) a manufacturer of manufactured homes who has engaged in procedures or practices determined by the Secretary to be unfair or prejudicial to veterans or the Government.

(k) Subject to notice and opportunity for a hearing, the Secretary may refuse to approve as acceptable any site in a manufactured home park or subdivision owned or operated by any person whose rental or sale methods, procedures, requirements, or practices are determined by the Secretary to be unfair or prejudicial to veterans renting or purchasing such sites. The Secretary may also refuse to guarantee or make direct loans for veterans to purchase manufactured homes offered for sale by any dealer if substantial deficiencies have been discovered in such homes, or if the Secretary determines that there has been a failure or indicated inability of the dealer to discharge contractual liabilities to veterans, or that the type of contract of sale or methods, procedures, or practices pursued by the dealer in the marketing of such properties have been unfair or prejudicial to veteran purchasers.

(l) The provisions of sections 3704(d) and 3721 of this title shall be fully applicable to lenders making guaranteed manufactured home loans and manufactured home lot loans and holders of such loans.

§ 3713. Release from liability under guaranty

(a) Whenever any veteran disposes of residential property securing a guaranteed, insured, or direct housing loan obtained by the veteran, the Secretary, upon application made by such veteran and by the transferee incident to such disposal, shall issue to such veteran in connection with such disposal a release relieving the veteran of all further liability to the Secretary on account of such loan (including liability for any loss resulting from any default of the transferee or any subsequent purchaser of such property) if the Secretary has determined, after such investigation as the Secretary may deem appropriate, that (1) the loan is current, and (2) the purchaser of such property from such veteran (A) is obligated by contract to purchase such property and to assume full liability for the repayment of the balance of the loan remaining unpaid, and has assumed by contract all of the obligations of the veteran under the terms of the instruments creating and securing the loan, and (B) qualifies from a credit standpoint, to the same extent as if the transferee were a veteran eligible for purposes specified in section 3710 of this title, for a guaranteed or insured or direct loan in an amount equal to the unpaid balance of the obligation for which the transferee has assumed liability.

(b) If any veteran disposes of residential property securing a guaranteed, insured, or direct housing loan obtained by the veteran under this chapter without receiving a release from liability with respect to such loan under subsection (a), and a default subsequently occurs which results in liability of the veteran to the Secretary on account of the loan, the Secretary may relieve the veteran of such liability if the Secretary determines, after such investigation as the Secretary deems appropriate, that the property was disposed of by the veteran in such a manner, and subject to such conditions, that the Secretary would have issued the veteran a release from liability under subsection (a) with respect to the loan if the veteran had made application therefor incident to such disposal. Failure of a transferee to assume by contract all of the liabilities of the original veteran-borrower shall bar such release of liability only in cases in which no acceptable transferee, either immediate or remote, is legally liable to the Secretary for the indebtedness of the original veteran-borrower arising from termination of the loan. The failure of a veteran to qualify for release from liability under this subsection does not preclude relief from being granted under section 5302(b) of this title, if the veteran is eligible for relief under that section.

(c) This section shall apply only to loans for which commitments are made before March 1, 1988.

§ 3714. Assumptions; release from liability

(a)(1) Except as provided in subsection (f) of this section, if a veteran or any other person disposes of residential property securing a loan guaranteed, insured, or made under this chapter and the veteran or other person notifies the holder of the loan in writing before the property

is disposed of, the veteran or other person, as the case may be, shall be relieved of all further liability to the Secretary with respect to the loan (including liability for any loss resulting from any default of the purchaser or any subsequent owner of the property) and the application for assumption shall be approved if the holder determines that—

(A) the loan is current; and

(B) the purchaser of the property from such veteran or other person—

(i) is obligated by contract to purchase such property and to assume full liability for the repayment of the balance of the loan remaining unpaid and has assumed by contract all of the obligations of the veteran under the terms of the instruments creating and securing the loan; and

(ii) qualifies from a credit standpoint, to the same extent as if the purchaser were a veteran eligible under section 3710 of this title, for a guaranteed or insured or direct loan in an amount equal to the unpaid balance of the obligation for which the purchaser is to assume liability.

(2) For the purposes of paragraph (1), paragraph (3), and paragraph (4)(C)(ii) of this subsection, the Secretary shall be considered to be the holder of the loan if the actual holder is not an approved lender described in section 3702.

(3) If the holder of the loan determines that the loan is not current or that the purchaser of the property does not meet the requirements of paragraph (1)(B) of this subsection, the holder shall—

(A) notify the transferor and the Secretary of such determination; and

(B) notify the transferor that the transferor may appeal the determination to the Secretary.

(4)(A) Upon the appeal of the transferor after a determination described in paragraph (3) is made, the Secretary shall, in a timely manner, review and make a determination (or a redetermination in any case in which the Secretary made the determination described in such paragraph) with respect to whether the loan is current and whether the purchaser of the property meets the requirements of paragraph (1)(B) of this subsection. The Secretary shall transmit, in writing, a notice of the nature of such determination to the transferor and the holder and shall inform them of the action that shall or may be taken under subparagraph (B) of this paragraph as a result of the determination of the Secretary.

(B)(i) If the Secretary determines under subparagraph (A) of this paragraph that the loan is current and that the purchaser meets the requirements of paragraph (1)(B) of this subsection, the holder shall approve the assumption of the loan, and the transferor shall be relieved of all liability to the Secretary with respect to such loan.

(ii) If the Secretary determines under subparagraph (A) of this paragraph that the purchaser does not meet the requirements of paragraph (1)(B) of this subsection, the Secretary may direct the holder to approve the assumption of the loan if—

(I) the Secretary determines that the transferor of the property is unable to make payments on the loan and has made reasonable efforts to find a buyer who meets the requirements of paragraph (1)(B) of this subsection and that, as a result, the proposed transfer is in the best interests of the Department and the transferor;

(II) the transferor has requested, within 15 days after receiving the notice referred to in subparagraph (A) of this paragraph, that the Secretary approve the assumption; and

(III) the transferor will, upon assumption of the loan by the purchaser, be secondarily liable on the loan.

(C) If—

(i) the loan is not approved for assumption under subparagraph (B) of this paragraph or paragraph (1) of this subsection; or

(ii) no appeal is made by the transferor under subparagraph (A) of this paragraph within 30 days after the holder informs the transferor of its determination under paragraph (3) of this subsection,

the holder may demand immediate, full payment of the principal, and all interest earned thereon, of such loan if the transferor disposes of the property.

(b) If a person disposes of residential property described in subsection (a)(1) of this section and the person fails to notify the holder of the loan before the property is disposed of, the holder, upon learning of such action by the person, may demand immediate and full payment of the principal, interest, and all other amounts owing under the terms of the loan.

(c)(1) In any case in which the holder of a loan described in subsection (a)(1) of this section has knowledge of a person's disposing of residential property securing the loan, the holder shall notify the Secretary of such action.

(2) If the holder fails to notify the Secretary in such a case, the holder shall be liable to the Secretary for any damage sustained by the Secretary as a result of the holder's failure, as determined at the time the Secretary is required to make payments in accordance with any insurance or guaranty provided by the Secretary with respect to the loan concerned.

(d) With respect to a loan guaranteed, insured, or made under this chapter, the Secretary shall provide, by regulation, that at least one instrument evidencing either the loan or the mortgage or deed of trust therefor, shall conspicuously contain, in such form as the Secretary shall specify, a notice in substantially the following form: "This loan is not assumable without the approval of the Department of Veterans Affairs or its authorized agent".

(e) The Secretary shall establish in regulations a reasonable amount as the maximum amount that a lender may charge for processing an application for a creditworthiness determination and assumption of a loan pursuant to this section. Such regulations shall establish requirements for the timely processing of applications for acceptance of assumptions.

(2) subject to specific limitations in this chapter, consent to the modification, with respect to rate of interest, time of payment of principal or interest or any portion thereof, security or other provisions of any note, contract, mortgage or other instrument securing a loan which has been guaranteed, insured, made or acquired under this chapter;

The acquisition of any such property shall not deprive any State or political subdivision thereof of its civil or criminal jurisdiction of, on, or over such property (including power to tax) or impair the rights under the State or local law of any persons on such property. Without regard to section 3302(b) of title 31 or any other provision of law not expressly in limitation of this paragraph, the Secretary may permit brokers utilized by the Secretary in connection with such properties to deduct from rental collections amounts covering authorized fees, costs, and expenses incurred in connection with the man-

agement, repair, sale, or lease of any such properties and remit the net balances to the Secretary.

(d) The right to redeem provided for by section 2410(c) of title 28 shall not arise in any case in which the subordinate lien or interest of the United States derives from a guaranteed or insured loan.

(2) If uniform qualifications become applicable for appraisers who perform appraisals for or in connection with the Federal Government, the qualifications required by subsection (a)(1) of this section may be more stringent than such uniform qualifications, but the Secretary may use no written test in determining the qualifications of appraisers other than the test prescribed to implement such uniform qualifications.

(c) Except as provided in subsection (f) of this section, the appraiser shall forward an appraisal report to the Secretary for review. Upon receipt of such report, the Secretary shall determine the reasonable value of the property, construction, repairs, or alterations for purposes of this chapter, and notify the veteran of such determination. Upon request, the Secretary shall furnish a copy of the appraisal made of property for the purposes of this chapter to the lender proposing to make the loan which is to be secured by such property and is to be guaranteed under this chapter.

(d) If a lender (other than a lender authorized under subsection (f) of this section to determine reasonable value)—

(1) has proposed to make a loan to be guaranteed under this chapter,

(2) has been furnished a certificate of reasonable value of any property or of any construction, repairs, or alterations of property which is to be the security for such loan, and

(3) within a reasonable period prescribed by the Secretary, has furnished to the Secretary an additional appraisal of the reasonable value of such property, construction, repairs, or alterations which was made by an appraiser selected by the lender from the list required by subsection (a)(3) of this section,

the Secretary shall consider both the initial appraisal and the additional appraisal and shall, if appropriate, issue a revised certificate of reasonable value of such property, construction, repairs, or alterations.

(e)(1) In no case may a veteran be required to pay all or any portion of the cost of the additional appraisal described in subsection (d)(3) of this section.

(2) If a veteran, within a reasonable period prescribed by the Secretary, has furnished to the Secretary an additional appraisal of the reasonable value of such property, construction, repairs, or alterations which was made by an appraiser selected by the veteran from the list required by subsection (a)(3) of this section, the Secretary shall consider such appraisal, along with other appraisals furnished to the Secretary, and shall, if appropriate, issue a revised certificate of reasonable value of such property, construction, repairs, or alterations.

(f)(1) Subject to the provisions of paragraphs (2) and (3) of this subsection, the Secretary may, in accordance with standards and procedures established in regulations prescribed by the Secretary, authorize a lender to determine the reasonable value of property for the purposes of this chapter if the lender is authorized to make loans which are automatically guaranteed under section 3702(d) of this title. In such a case, the appraiser selected by the Secretary pursuant to subsection (b) of this section shall submit the appraisal report directly to the lender for review, and the lender shall, as soon as possible thereafter, furnish a copy of the appraisal to the veteran who is applying for the loan concerned and to the Secretary.

(2) In exercising the authority provided in paragraph (1) of this subsection, the Secretary shall assign a sufficient number of personnel to carry out an appraisal-review system to monitor, on at least a random-sampling basis, the making of appraisals by appraisers and the effectiveness and the efficiency of the determination of reasonable value of property by lenders.

[(3) Repealed. Pub. L. 104-110, title I, §101(g), Feb. 13, 1996, 110 Stat. 768.]

(4) Not later than April 30 of each year following a year in which the Secretary authorizes lenders to determine reasonable value of property under this subsection, the Secretary shall submit to the Committees on Veterans' Affairs of the Senate and the House of Representatives a report relating to the exercise of that authority during the year in which the authority was exercised.

(5) A report submitted pursuant to paragraph (4) of this subsection shall include, for the period covered by each report—

(A) the number and value of loans made by lenders exercising the authority of this subsection;

(B) the number and value of such loans reviewed by the appraisal-review monitors referred to in paragraph (2) of this subsection;

(C) the number and value of loans made under this subsection of which the Secretary received notification of default;

(D) the amount of guaranty paid by the Secretary to such lenders by reason of defaults on loans as to which reasonable value was determined under this subsection; and

(E) such recommendations as the Secretary considers appropriate to improve the exercise of the authority provided for in this subsection and to protect the interests of the United States.

RATIFICATION OF ACTIONS DURING PERIOD OF EXPIRED
AUTHORITY

Any action taken by Secretary of Veterans Affairs before Feb. 13, 1996, under provision of law amended by title I of Pub. L. 104-110 that was taken during period beginning on date on which authority of Secretary under such provision of law expired and ending on Feb. 13, 1996, considered to have same force and effect as if such amendment had been in effect at time of that action, see section 103 of Pub. L. 104-110, set out as a note under section 1710 of this title.

§ 3732. Procedure on default

(a)(1) In the event of default in the payment of any loan guaranteed under this chapter, the holder of the obligation shall notify the Secretary of such default. Upon receipt of such notice, the Secretary may, subject to subsection (c) of this section, pay to such holder the guaranty not in excess of the pro rata portion of the amount originally guaranteed. Except as provided in section 3703(e) of this title, if the Secretary makes such a payment, the Secretary shall be subrogated to the rights of the holder of the obligation to the extent of the amount paid on the guaranty.

(2)(A) Before suit or foreclosure the holder of the obligation shall notify the Secretary of the default, and within thirty days thereafter the Secretary may, at the Secretary's option, pay the holder of the obligation the unpaid balance of the obligation plus accrued interest and receive an assignment of the loan and security. Nothing in this section shall preclude any forbearance for the benefit of the veteran as may be agreed upon by the parties to the loan and approved by the Secretary.

(B) In the event that a housing loan guaranteed under this chapter is modified under the authority provided under section 1322(b) of title 11, the Secretary may pay the holder of the obligation the unpaid principal balance of the obligation due, plus accrued interest, as of the date of the filing of the petition under title 11, but only upon the assignment, transfer, and delivery to the Secretary (in a form and manner satisfactory to the Secretary) of all rights, interest, claims, evidence, and records with respect to the housing loan.

(3) The Secretary may establish the date, not later than the date of judgment and decree of foreclosure or sale, upon which accrual of interest or charges shall cease.

(4)(A) Upon receiving a notice pursuant to paragraph (1) of this subsection, the Secretary shall—

(i) provide the veteran with information and, to the extent feasible, counseling regarding—

(I) alternatives to foreclosure, as appropriate in light of the veteran's particular circumstances, including possible methods of curing the default, conveyance of the property to the Secretary by means of a deed in lieu of foreclosure, and the actions authorized by paragraph (2) of this subsection; and

(II) what the Department of Veterans Affairs' and the veteran's liabilities would be with respect to the loan in the event of foreclosure; and

(ii) advise the veteran regarding the availability of such counseling;

except with respect to loans made by a lender which the Secretary has determined has a demonstrated record of consistently providing timely and accurate information to veterans with respect to such matters.

(B) The Secretary shall, to the extent of the availability of appropriations, ensure that sufficient personnel are available to administer subparagraph (A) of this paragraph effectively and efficiently.

(5) In the event of default in the payment of any loan guaranteed or insured under this chapter in which a partial payment has been tendered by the veteran concerned and refused by the holder, the holder of the obligation shall notify the Secretary as soon as such payment has been refused. The Secretary may require that any such notification include a statement of the circumstances of the default, the amount tendered, the amount of the indebtedness on the date of the tender, and the reasons for the holder's refusal.

(b) With respect to any loan made under section 3711 which has not been sold as provided in subsection (g) of such section, if the Secretary finds, after there has been a default in the payment of any installment of principal or interest owing on such loan, that the default was due to the fact that the veteran who is obligated under the loan has become unemployed as the result of the closing (in whole or in part) of a Federal installation, the Secretary shall (1) extend the time for curing the default to such time as the Secretary determines is necessary and desirable to enable such veteran to complete payments on such loan, including an extension of time beyond the stated maturity thereof, or (2) modify the terms of such loan for the purpose of changing the amortization provisions thereof by recasting, over the remaining term of the loan, or over such longer period as the Secretary may determine, the total unpaid amount then due with the modification to become effective currently or upon the termination of an agreed-upon extension of the period for curing the default.

(c)(1) For purposes of this subsection—

(A) The term "defaulted loan" means a loan that is guaranteed under this chapter, that was made for a purpose described in section 3710(a) of this title, and that is in default.

(B) The term "liquidation sale" means a judicial sale or other disposition of real property to liquidate a defaulted loan that is secured by such property.

(C) The term "net value", with respect to real property, means the amount equal to (i) the fair market value of the property, minus (ii) the total of the amounts which the Secretary estimates the Secretary would incur (if the Secretary were to acquire and dispose of the property) for property taxes, assessments, liens, property maintenance, property improvement, administration, resale (including losses sustained on the resale of the property), and other costs resulting from the acquisition and disposition of the property, excluding any amount attributed to the cost to the Government of borrowing funds.

(D) Except as provided in subparagraph (D) of paragraph (10) of this subsection, the term

“total indebtedness”, with respect to a defaulted loan, means the amount equal to the total of (i) the unpaid principal of the loan, (ii) the interest on the loan as of the date applicable under paragraph (10) of this subsection, and (iii) such reasonably necessary and proper charges (as specified in the loan instrument and permitted by regulations prescribed by the Secretary to implement this subsection) associated with liquidation of the loan, including advances for taxes, insurance, and maintenance or repair of the real property securing the loan.

(2)(A) Except as provided in subparagraph (B) of this paragraph, this subsection applies to any case in which the holder of a defaulted loan undertakes to liquidate the loan by means of a liquidation sale.

(B) This subsection does not apply to a case in which the Secretary proceeds under subsection (a)(2) of this section.

(3)(A) Before carrying out a liquidation sale of real property securing a defaulted loan, the holder of the loan shall notify the Secretary of the proposed sale. Such notice shall be provided in accordance with regulations prescribed by the Secretary to implement this subsection.

(B) After receiving a notice described in subparagraph (A) of this paragraph, the Secretary shall determine the net value of the property securing the loan and the amount of the total indebtedness under the loan and shall notify the holder of the loan of the determination of such net value.

(4) A case referred to in paragraphs (5), (6), and (7) of this subsection as being described in this paragraph is a case in which the net value of the property securing a defaulted loan exceeds the amount of the total indebtedness under the loan minus the amount guaranteed under this chapter.

(5) In a case described in paragraph (4) of this subsection, if the holder of the defaulted loan acquires the property securing the loan at a liquidation sale for an amount that does not exceed the lesser of the net value of the property or the total indebtedness under the loan—

(A) the holder shall have the option to convey the property to the United States in return for payment by the Secretary of an amount equal to the lesser of such net value or total indebtedness; and

(B) the liability of the United States under the loan guaranty under this chapter shall be limited to the amount of such total indebtedness minus the net value of the property.

(6) In a case described in paragraph (4) of this subsection, if the holder of the defaulted loan does not acquire the property securing the loan at the liquidation sale, the liability of the United States under the loan guaranty under this chapter shall be limited to the amount equal to (A) the amount of such total indebtedness, minus (B) the amount realized by the holder incident to the sale or the net value of the property, whichever is greater.

(7) In a case described in paragraph (4) of this subsection, if the holder of the defaulted loan acquires the property securing the loan at the liquidation sale for an amount that exceeds the

lesser of the total indebtedness under the loan or the net value and—

(A)(i) the amount was the minimum amount for which, under applicable State law, the property was permitted to be sold at the liquidation sale, the holder shall have the option to convey the property to the United States in return for payment by the Secretary of an amount equal to the lesser of the amount for which the holder acquired the property or the total indebtedness under the loan; or

(ii) there was no minimum amount for which the property had to be sold at the liquidation sale under applicable State law, the holder shall have the option to convey the property to the United States in return for payment by the Secretary of an amount equal to the lesser of such net value or total indebtedness; and

(B) the liability of the United States under the loan guaranty under this chapter is as provided in paragraph (6) of this subsection.

(8) If the net value of the property securing a defaulted loan is not greater than the amount of the total indebtedness under the loan minus the amount guaranteed under this chapter—

(A) the Secretary may not accept conveyance of the property from the holder of the loan; and

(B) the liability of the United States under the loan guaranty shall be limited to the amount of the total indebtedness under the loan minus the amount realized by the holder of the loan incident to the sale at a liquidation sale of the property.

(9) In no event may the liability of the United States under a guaranteed loan exceed the amount guaranteed with respect to that loan under section 3703(b) of this title. All determinations under this subsection of net value and total indebtedness shall be made by the Secretary.

(10)(A) Except as provided in subparagraphs (B) and (C) of this paragraph, the date referred to in paragraph (1)(D)(ii) of this subsection shall be the date of the liquidation sale of the property securing the loan (or such earlier date following the expiration of a reasonable period of time for such sale to occur as the Secretary may specify pursuant to regulations prescribed by the Secretary to implement this subsection).

(B)(i) Subject to division (ii) of this subparagraph, in any case in which there is a substantial delay in such sale caused by the holder of the loan exercising forbearance at the request of the Secretary, the date referred to in paragraph (1)(D)(ii) of this subsection shall be such date, on or after the date on which forbearance was requested and prior to the date of such sale, as the Secretary specifies pursuant to regulations which the Secretary shall prescribe to implement this paragraph.

(ii) The Secretary may specify a date under subdivision (i) of this subparagraph only if, based on the use of a date so specified for the purposes of such paragraph (1)(D)(ii), the Secretary is authorized, under paragraph (5)(A) or (7)(A) of this subsection, to accept conveyance of the property.

(C) In any case in which there is an excessive delay in such liquidation sale caused—

(i) by the Department of Veterans Affairs (including any delay caused by its failure to provide bidding instructions in a timely fashion); or

(ii) by a voluntary case commenced under title 11, United States Code (relating to bankruptcy);

the date referred to in paragraph (1)(D)(ii) of this subsection shall be a date, earlier than the date of such liquidation sale, which the Secretary specifies pursuant to regulations which the Secretary shall prescribe to implement this paragraph.

(D) For the purpose of determining the liability of the United States under a loan guaranty under paragraphs (5)(B), (6), (7)(B), and (8)(B), the amount of the total indebtedness with respect to such loan guaranty shall include, in any case in which there was an excessive delay caused by the Department of Veterans Affairs in the liquidation sale of the property securing such loan, any interest which had accrued as of the date of such sale and which would not be included, except for this subparagraph, in the calculation of such total indebtedness as a result of the specification of an earlier date under subparagraph (C)(i) of this paragraph.

(1) This subsection shall apply to loans closed before October 1, 2012.

(a)(1) Of the number of purchases made during any fiscal year of real property acquired by the Secretary as the result of a default on a loan guaranteed under this chapter for a purpose described in section 3710(a) of this title, not more than 65 percent, nor less than 50 percent, of such purchases may be financed by a loan made by the Secretary. the Secretary described in paragraph (1), an amount to be used only for the purpose of rehabilitating such property. Such amount may not exceed the amount necessary to rehabilitate the property to a habitable state, and payments shall be made available periodically as such rehabilitation is completed.

(6) The Secretary shall make a loan to finance the sale of real property described in paragraph (1) at an interest rate that is lower than the prevailing mortgage market interest rate in areas where, and to the extent, the Secretary determines, in light of prevailing conditions in the real estate market involved, that such lower interest rate is necessary in order to market the property competitively and is in the interest of the long-term stability and solvency of the Veterans Housing Benefit Program Fund established by section 3722(a) of this title.

(2) The Secretary shall include a summary of the information compiled, and the Secretary's findings, under paragraph (1) in the annual report submitted to the Congress under section 529 of this title. (2) For the purpose of facilitating the most expeditious sale, at the highest possible price, of real property acquired by the Secretary as the result of a default on a loan guaranteed, insured, or made under this chapter, the Secretary shall list all such property with real estate brokers under such arrangements as the Secretary determines to be most appropriate and cost effective.

AUTHORIZATION OF APPROPRIATIONS

Section 304 of Pub. L. 97-72 authorized to be appropriated a total of \$750,000 for fiscal years 1982 through 1986 for use by Administrator of Veterans’ Affairs for expenses incidental to establishment of small business loan program authorized by subchapter IV of this chapter.

§ 3742. Small business loan program

(a)(1) Subject to subsection (b) of this section, the Secretary may provide financial assistance to veterans’ small business concerns for the purpose of (A) financing plant construction, conversion, or expansion (including the acquisition of land), (B) financing the acquisition of equipment, facilities, machinery, supplies, or materials, or (C) supplying such concerns with working capital.

(2) Subject to paragraph (3)(A) of this subsection, financial assistance under this section may be provided in the form of (A) loan guarantees, or (B) direct loans.

(3) The Secretary shall specify in regulations the criteria to be met for a business concern to qualify as a veterans’ small business concern for the purposes of this subchapter. Such regulations shall include requirements—

(A) that at least 51 percent of a business concern must be owned by individuals who are veterans of the Vietnam era or disabled veterans in order for such concern to qualify for a loan guaranty and that at least 51 percent of a business concern must be owned by disabled veterans in order for such concern to qualify for a direct loan; and

(B) that the management and daily business operations of the concern must be directed by one or more of the veterans whose ownership interest is part of the majority ownership for the purposes of meeting the requirement in clause (A) of this paragraph.

(b) The availability of financial assistance under subsection (a) of this section is subject to the following limitations:

(1) The Secretary may not make a direct loan under this section unless the veterans’ small business concern applying for the loan shows to the satisfaction of the Secretary that the concern is unable to obtain a loan guaranteed by the Department under this section or made or guaranteed by the Small Business Administration.

(2) The Secretary may not guarantee a loan under this section if the loan bears a rate of interest in excess of the maximum rate of interest prescribed under section 3745 of this title.

(3) The Secretary may not make or guarantee a loan under this section for an amount in excess of \$200,000.

(4) The original liability of the Secretary on any loan guaranteed under this section may not exceed 90 percent of the amount of the loan, and such liability shall decrease or increase pro rata with any decrease or increase of the amount of the unpaid portion of the loan, but such liability may not exceed the amount of the original guaranty.

(c) Each loan made or guaranteed under this subchapter shall be of such sound value, taking into account the creditworthiness of the veterans' small business concern (and the individual owners) applying for such loan, or so secured as reasonably to assure payment.

(d)(1) Except as provided in paragraph (2) of this subsection, the Secretary may not make or guarantee a loan under this subchapter to a veterans' small business concern in which an ownership interest is held by a veteran who also has an ownership interest in another small business concern if such ownership interest was considered in qualifying that other concern for an outstanding loan made or guaranteed under this subchapter or the Small Business Act (15 U.S.C. 631 et seq.).

(2) Paragraph (1) of this subsection shall not apply if 51 percent or more of the business concern seeking a direct or guaranteed loan under this subchapter is owned by veterans of the Vietnam era or disabled veterans without including the ownership interest of the veteran whose ownership interest in another small business concern was previously considered in qualifying that other concern for an outstanding guaranteed or direct business loan under this subchapter or the Small Business Act (15 U.S.C. 631 et seq.).

(e)(1) In order to protect the interest of the United States, upon application by a veterans' small business concern which is the recipient of a loan guaranteed under this subchapter, the Secretary (subject to the provisions of this subsection) may undertake the veterans' small business concern's obligation to make payments under such loan or, if the loan was a direct loan made by the Secretary, may suspend such obligation. While such payments are being made by the Secretary pursuant to the undertaking of such obligation or while such obligation is suspended, no such payment with respect to the loan may be required from the concern.

(2) The Secretary may undertake or suspend a veterans' small business concern's obligation under this subsection only if—

(A) such undertaking or suspension of the obligation is, in the judgment of the Secretary, necessary to protect the interest of the United States;

(B) with the undertaking or suspension of the obligation, the small business concern would, in the judgment of the Secretary, become or remain a viable small business entity; and

(C) the small business concern executes an agreement in writing satisfactory to the Secretary as provided by paragraph (4) of this subsection.

(3) The period of time for which the Secretary undertakes or suspends the obligation on a loan under this subsection may not exceed five years. The Secretary may extend the maturity of any loan on which the Secretary undertakes or suspends the obligation under this subsection for a corresponding period of time.

(4)(A) Before the Secretary may undertake or suspend a veterans' small business concern's obligation under this subsection, the Secretary shall require the small business concern to execute an agreement to repay the aggregate amount of the payments which were required under the loan during the period for which the obligation was undertaken or suspended—

(i) by periodic payments not less in amount or less frequently falling due than those which were due under the loan during such period,

(ii) pursuant to a repayment schedule agreed upon by the Secretary and the small business concern, or

(iii) by a combination of the method of payments described in clauses (i) and (ii) of this subparagraph.

(B) In addition to requiring the small business concern to execute the agreement described in subparagraph (A) of this paragraph, the Secretary shall, before the undertaking or suspension of the obligation, take such action and require the small business concern to take such action as the Secretary considers appropriate in the circumstances, including the provision of such security as the Secretary considers necessary or appropriate, to assure that the rights and interest of the United States and any lender will be safeguarded adequately during and after the period in which such obligation is so undertaken or suspended.

There is authorized to be appropriated for such purpose \$5,000,000 for fiscal year 1993, which amount shall remain available without fiscal year limitation.”

§ 3762. Direct housing loans to Native American veterans; program administration

(a) The Secretary may make a direct housing loan to a Native American veteran under this subchapter if—

(1)(A) the Secretary has entered into a memorandum of understanding with respect to such loans with the tribal organization that has jurisdiction over the veteran; or

(B) the tribal organization that has jurisdiction over the veteran has entered into a memorandum of understanding with any department or agency of the United States with respect to direct housing loans to Native Americans that the Secretary determines substantially complies with the requirements of subsection (b); and

(2) the memorandum is in effect when the loan is made.

(b)(1) Subject to paragraph (2), the Secretary shall ensure that each memorandum of understanding that the Secretary enters into with a tribal organization shall provide for the following:

(A) That each Native American veteran who is under the jurisdiction of the tribal organization and to whom the Secretary makes a direct loan under this subchapter—

(i) holds, possesses, or purchases using the proceeds of the loan a meaningful interest in a lot or dwelling (or both) that is located on trust land; and

(ii) will purchase, construct, or improve (as the case may be) a dwelling on the lot using the proceeds of the loan.

(B) That each such Native American veteran will convey to the Secretary by an appropriate instrument the interest referred to in subparagraph (A) as security for a direct housing loan under this subchapter.

(C) That the tribal organization and each such Native American veteran will permit the Secretary to enter upon the trust land of that organization or veteran for the purposes of carrying out such actions as the Secretary determines are necessary—

(i) to evaluate the advisability of the loan; and

(ii) to monitor any purchase, construction, or improvements carried out using the proceeds of the loan.

(D) That the tribal organization has established standards and procedures that apply to the foreclosure of the interest conveyed by a Native American veteran pursuant to subparagraph (B), including—

(i) procedures for foreclosing the interest; and

(ii) procedures for the resale of the lot or the dwelling (or both) purchased, constructed, or improved using the proceeds of the loan.

(E) That the tribal organization agrees to such other terms and conditions with respect to the making of direct loans to Native American veterans under the jurisdiction of the tribal organization as the Secretary may require in order to ensure that loans under this subchapter are made in a responsible and prudent manner.

(2) The Secretary may not enter into a memorandum of understanding with a tribal organization under this subsection unless the Secretary determines that the memorandum provides for such standards and procedures as are necessary for the reasonable protection of the financial interests of the United States.

(c)(1)(A) Except as provided in subparagraph (B), the principal amount of any direct housing loan made to a Native American veteran under this section may not exceed \$80,000.

(B)(i) Subject to clause (ii), the Secretary may make loans exceeding the amount specified in subparagraph (A) in a geographic area if the Secretary determines that housing costs in the area are significantly higher than average hous-

ing costs nationwide. The amount of such increase shall be the amount that the Secretary determines is necessary in order to make direct housing loans under this subchapter to Native American veterans who are located in a variety of geographic areas and in geographic areas experiencing a variety of economic conditions.

(ii) The amount of a loan made by the Secretary under this subchapter may not exceed the maximum loan amount authorized for loans guaranteed under section 3703(a)(1)(C) of this title.

(2) Loans made under this section shall bear interest at a rate determined by the Secretary, which rate may not exceed the appropriate rate authorized for guaranteed loans under section 3703(c)(1) or section 3712(f) of this title, and shall be subject to such requirements or limitations prescribed for loans guaranteed under this title as the Secretary may prescribe.

(3) Notwithstanding section 3704(a) of this title, the Secretary shall establish minimum requirements for planning, construction, improvement, and general acceptability relating to any direct loan made under this section.

(d)(1) The Secretary shall establish credit underwriting standards to be used in evaluating loans made under this subchapter. In establishing such standards, the Secretary shall take into account the purpose of this program to make available housing to Native American veterans living on trust lands.

(2) The Secretary shall determine the reasonable value of the interest in property that will serve as security for a loan made under this section and shall establish procedures for appraisals upon which the Secretary may base such determinations. The procedures shall incorporate generally the relevant requirements of section 3731 of this title, unless the Secretary determines that such requirements are impracticable to implement in a geographic area, on particular trust lands, or under circumstances specified by the Secretary.

(e) Loans made under this section shall be repaid in monthly installments.

(f) In connection with any loan under this section, the Secretary may make advances in cash to provide for repairs, alterations, and improvements and to meet incidental expenses of the loan transaction. The Secretary shall determine the amount of any expenses incident to the origination of loans made under this section, which expenses, or a reasonable flat allowance in lieu thereof, shall be paid by the veteran in addition to the loan closing costs.

(g) Without regard to any provision of this chapter (other than a provision of this section), the Secretary may—

(1) take any action that the Secretary determines to be necessary with respect to the custody, management, protection, and realization or sale of investments under this section;

(4) in a manner consistent with the provisions of this chapter and with the Secretary's functions under this subchapter, employ, utilize, and compensate any persons, organizations, or departments or agencies (including departments and agencies of the United States) designated by the Secretary to carry out such functions.

(h)(1) The Secretary may make direct loans to Native American veterans in order to enable such veterans to refinance existing loans made under this section.

(2)(A) The Secretary may not make a loan under this subsection unless the loan meets the requirements set forth in subparagraphs (B), (C), and (E) of paragraph (1) of section 3710(e) of this title.

(B) The Secretary may not make a loan under this subsection unless the loan will bear an interest rate at least one percentage point less than the interest rate borne by the loan being refinanced.

(C) Paragraphs (2) and (3) of such section 3710(e) shall apply to any loan made under this subsection, except that for the purposes of this subsection the reference to subsection (a)(8) of section 3710 of this title in such paragraphs (2) and (3) shall be deemed to be a reference to this subsection.

(i)(1) The Secretary shall, in consultation with tribal organizations (including the National Congress of American Indians and the National American Indian Housing Council), carry out an outreach program to inform and educate Native American veterans of the availability of direct housing loans for Native American veterans who live on trust lands.

(2) Activities under the outreach program shall include the following:

(1) Except as expressly provided otherwise, carry out all provisions of this chapter and chapter 43 of this title through the Assistant Secretary of Labor for Veterans' Employment and Training and administer through such Assistant Secretary all programs under the jurisdiction of the Secretary for the provision of employment and training services designed to meet the needs of all veterans and persons eligible for services furnished under this chapter.

(2) In order to make maximum use of available resources in meeting such needs, encourage all such programs, and all grantees and contractors under such programs to enter into cooperative arrangements with private industry and business concerns (including small business concerns owned by veterans or disabled veterans), educational institutions, trade associations, and labor unions.

(3) Ensure that maximum effectiveness and efficiency are achieved in providing services and assistance to eligible veterans under all such programs by coordinating and consulting with the Secretary of Veterans Affairs with respect to (A) programs conducted under other provisions of this title, with particular emphasis on coordination of such programs with readjustment counseling activities carried out under section 1712A of this title, apprenticeship or other on-the-job training programs carried out under section 3687 of this title, and rehabilitation and training activities carried out under chapter 31 of this title and (B) determinations covering veteran population in a State.

(4) Ensure that employment, training, and placement activities are carried out in coordination and cooperation with appropriate State public employment service officials.

(5) Subject to subsection (c), make available for use in each State by grant or contract such funds as may be necessary to support—

(A) disabled veterans' outreach program specialists appointed under section 4103A(a)(1) of this title,

(B) local veterans' employment representatives assigned under section 4104(b) of this title, and

(8) With advice and assistance from the Advisory Committee on Veterans Employment, Training, and Employer Outreach established under section 4110 of this title, furnish information to employers (through meetings in person with hiring executives of corporations and otherwise) with respect to the training and skills of veterans and disabled veterans, and the advantages afforded employers by hiring veterans with such training and skills, and to facilitate employment of veterans and disabled veterans through participation in labor exchanges (Internet-based and otherwise), and other means.

(c) CONDITIONS FOR RECEIPT OF FUNDS.—(1) The distribution and use of funds under subsection (b)(5) in order to carry out sections 4103A(a) and 4104(a) of this title shall be subject to the continuing supervision and monitoring of the Secretary and shall not be governed by the provisions of any other law, or any regulations prescribed thereunder, that are inconsistent with this section or section 4103A or 4104 of this title.

(iv) Such additional information as the Secretary may require to make a determination with respect to awarding a grant or contract to the State.

(B)(i) Subject to the succeeding provisions of this subparagraph, of the amount available

under subsection (b)(5) for a fiscal year, the Secretary shall make available to each State with an application approved by the Secretary an amount of funding in proportion to the number of veterans seeking employment using such criteria as the Secretary may establish in regulation, including civilian labor force and unemployment data, for the State on an annual basis. The proportion of funding shall reflect the ratio of—

- (I) the total number of veterans residing in the State that are seeking employment; to
- (II) the total number of veterans seeking employment in all States.

(ii) The Secretary shall phase in over the three fiscal-year period that begins on October 1, 2003, the manner in which amounts are made available to States under subsection (b)(5) and this subsection, as amended by the Jobs for Veterans Act.

(3)(A)(i) As a condition of a grant or contract under this section for a program year, in the case of a State that the Secretary determines has an entered-employment rate for veterans that is deficient for the preceding program year, the State shall develop a corrective action plan to improve that rate for veterans in the State.

(ii) The State shall submit the corrective action plan to the Secretary for approval, and if approved, shall expeditiously implement the plan.

(iii) If the Secretary does not approve a corrective action plan submitted by the State under clause (i), the Secretary shall take such steps as may be necessary to implement corrective actions in the State to improve the entered-employment rate for veterans in that State.

(B) To carry out subparagraph (A), the Secretary shall establish in regulations a uniform national threshold entered-employment rate for veterans for a program year by which determinations of deficiency may be made under subparagraph (A).

(C) In making a determination with respect to a deficiency under subparagraph (A), the Secretary shall take into account the applicable annual unemployment data for the State and consider other factors, such as prevailing economic conditions, that affect performance of individuals providing employment, training, and placement services in the State.

(4) In determining the terms and conditions of a grant or contract under which funds are made available to a State in order to carry out section 4103A or 4104 of this title, the Secretary shall take into account—

- (A) the results of reviews, carried out pursuant to subsection (b)(7), of the performance of the employment, training, and placement service delivery system in the State, and
- (B) the monitoring carried out under this section.

(5) Each grant or contract by which funds are made available to a State shall contain a provision requiring the recipient of the funds—

- (A) to comply with the provisions of this chapter; and

(B) on an annual basis, to notify the Secretary of, and provide supporting rationale for, each nonveteran who is employed as a disabled veterans' outreach program specialist and local veterans' employment representative for a period in excess of 6 months.

(6) Each State shall coordinate employment, training, and placement services furnished to veterans and eligible persons under this chapter with such services furnished with respect to such veterans and persons under the Workforce Investment Act of 1998 and the Wagner-Peyser Act.

(7) Of the amount of a grant or contract under which funds are made available to a State in order to carry out section 4103A or 4104 of this title for any program year, one percent shall be for the purposes of making cash awards under the program of performance incentive awards described in section 4112 of this title in the State.

(8)(A) As a condition of a grant or contract under which funds are made available to a State in order to carry out section 4103A or 4104 of this title, the Secretary shall require the State to require each employee hired by the State who is assigned to perform the duties of a disabled veterans' outreach program specialist or a local veterans' employment representative under this chapter to satisfactorily complete training provided by the National Veterans' Employment and Training Services Institute during the 18-month period that begins on the date on which the employee is so assigned.

(B) For any employee described in subparagraph (A) who does not complete such training during such period, the Secretary may reduce by an appropriate amount the amount made available to the State employing that employee.

(C) The Secretary may establish such reasonable exceptions to the completion of training otherwise required under subparagraph (A) as the Secretary considers appropriate.

(d) PARTICIPATION IN OTHER FEDERALLY FUNDED JOB TRAINING PROGRAMS.—The Assistant Secretary of Labor for Veterans' Employment and Training shall promote and monitor participation of qualified veterans and eligible persons in employment and training opportunities under title I of the Workforce Investment Act of 1998 and other federally funded employment and training programs.

disabled veterans' outreach program specialists and local veterans' employment representatives providing employment, training, and placement services under this chapter in a State to provide accountability of that State to the Secretary for purposes of subsection (c).

(2) Such standards and measures shall—

(A) be consistent with State performance measures applicable under section 136(b) of the Workforce Investment Act of 1998; and

(B) be appropriately weighted to provide special consideration for placement of (i) veterans requiring intensive services (as defined in section 4101(9) of this title), such as special disabled veterans and disabled veterans, and (ii) veterans who enroll in readjustment counseling under section 1712A of this title.

(g) **AUTHORITY TO PROVIDE TECHNICAL ASSISTANCE TO STATES.**—The Secretary may provide such technical assistance as the Secretary determines appropriate to any State that the Secretary determines has, or may have, an entered-employment rate in the State that is deficient, as determined under subsection (c)(3) with respect to a program year, including assistance in the development of a corrective action plan under that subsection.

(h) **CONSOLIDATION OF DISABLED VETERANS' OUTREACH PROGRAM SPECIALISTS AND VETERANS' EMPLOYMENT REPRESENTATIVES.**—The Secretary may allow the Governor of a State receiving funds under subsection (b)(5) to support specialists and representatives as described in such subsection to consolidate the functions of such specialists and representatives if—

(1) the Governor determines, and the Secretary concurs, that such consolidation—

(A) promotes a more efficient administration of services to veterans with a particular emphasis on services to disabled veterans; and

(B) does not hinder the provision of services to veterans and employers; and

(2) the Governor submits to the Secretary a proposal therefor at such time, in such manner, and containing such information as the Secretary may require.

(3) The term “priority of service” means, with respect to any qualified job training program, that a covered person shall be given priority over nonveterans for the receipt of employment, training, and placement services provided under that program, notwithstanding any other provision of law. (A) an analysis of the implementation of providing such priority at the local level;

(B) whether the representation of veterans in such programs is in proportion to the incidence of representation of veterans in the labor market, including within groups that the Secretary may designate for priority under such programs, if any; and

(C) performance measures, as determined by the Secretary, to determine whether veterans are receiving priority of service and are being fully served by qualified job training programs.

(A) the employer's circumstances have so changed as to make such reemployment impossible or unreasonable;

(C) the employment from which the person leaves to serve in the uniformed services is for a brief, nonrecurrent period and there is no reasonable expectation that such employment will continue indefinitely or for a significant period.

(2) In any proceeding involving an issue of whether—

(B) any accommodation, training, or effort referred to in subsection (a)(3), (a)(4), or (b)(2)(B) of section 4313 would impose an undue hardship on the employer, or

(C) the employment referred to in paragraph (1)(C) is for a brief, nonrecurrent period and there is no reasonable expectation that such employment will continue indefinitely or for a significant period,

the employer shall have the burden of proving the impossibility or unreasonableness, undue

hardship, or the brief or nonrecurrent nature of the employment without a reasonable expectation of continuing indefinitely or for a significant period.

(e)(1) Subject to paragraph (2), a person referred to in subsection (a) shall, upon the completion of a period of service in the uniformed services, notify the employer referred to in such subsection of the person's intent to return to a position of employment with such employer as follows:

(A) In the case of a person whose period of service in the uniformed services was less than 31 days, by reporting to the employer—

(i) not later than the beginning of the first full regularly scheduled work period on the first full calendar day following the completion of the period of service and the expiration of eight hours after a period allowing for the safe transportation of the person from the place of that service to the person's residence; or

(ii) as soon as possible after the expiration of the eight-hour period referred to in clause (i), if reporting within the period referred to in such clause is impossible or unreasonable through no fault of the person.

(B) In the case of a person who is absent from a position of employment for a period of any length for the purposes of an examination to determine the person's fitness to perform service in the uniformed services, by reporting in the manner and time referred to in subparagraph (A).

(C) In the case of a person whose period of service in the uniformed services was for more than 30 days but less than 181 days, by submitting an application for reemployment with the employer not later than 14 days after the completion of the period of service or if submitting such application within such period is impossible or unreasonable through no fault of the person, the next first full calendar day when submission of such application becomes possible.

(D) In the case of a person whose period of service in the uniformed services was for more than 180 days, by submitting an application for reemployment with the employer not later than 90 days after the completion of the period of service.

(2)(A) A person who is hospitalized for, or convalescing from, an illness or injury incurred in, or aggravated during, the performance of service in the uniformed services shall, at the end of the period that is necessary for the person to recover from such illness or injury, report to the person's employer (in the case of a person described in subparagraph (A) or (B) of paragraph (1)) or submit an application for reemployment with such employer (in the case of a person described in subparagraph (C) or (D) of such paragraph). Except as provided in subparagraph (B), such period of recovery may not exceed two years.

(B) Such two-year period shall be extended by the minimum time required to accommodate the circumstances beyond such person's control which make reporting within the period specified in subparagraph (A) impossible or unreasonable.

(3) A person who fails to report or apply for employment or reemployment within the appropriate period specified in this subsection shall not automatically forfeit such person's entitlement to the rights and benefits referred to in subsection (a) but shall be subject to the conduct rules, established policy, and general practices of the employer pertaining to explanations and discipline with respect to absence from scheduled work.

(f)(1) A person who submits an application for reemployment in accordance with subparagraph (C) or (D) of subsection (e)(1) or subsection (e)(2) shall provide to the person's employer (upon the request of such employer) documentation to establish that—

(A) the person's application is timely;

(B) the person has not exceeded the service limitations set forth in subsection (a)(2) (except as permitted under subsection (c)); and

(C) the person's entitlement to the benefits under this chapter has not been terminated pursuant to section 4304.

(2) Documentation of any matter referred to in paragraph (1) that satisfies regulations prescribed by the Secretary shall satisfy the documentation requirements in such paragraph.

(3)(A) Except as provided in subparagraph (B), the failure of a person to provide documentation that satisfies regulations prescribed pursuant to paragraph (2) shall not be a basis for denying reemployment in accordance with the provisions of this chapter if the failure occurs because such documentation does not exist or is not readily available at the time of the request of the employer. If, after such reemployment, documentation becomes available that establishes that such person does not meet one or more of the requirements referred to in subparagraphs (A), (B), and (C) of paragraph (1), the employer of such person may terminate the employment of the person and the provision of any rights or benefits afforded the person under this chapter.

(B) An employer who reemploys a person absent from a position of employment for more than 90 days may require that the person provide the employer with the documentation referred to in subparagraph (A) before beginning to treat the person as not having incurred a break in service for pension purposes under section 4318(a)(2)(A).

(4) An employer may not delay or attempt to defeat a reemployment obligation by demanding documentation that does not then exist or is not then readily available.

(g) The right of a person to reemployment under this section shall not entitle such person to retention, preference, or displacement rights over any person with a superior claim under the provisions of title 5, United States Code, relating to veterans and other preference eligibles.

This paragraph applies to the person who is reemployed and to any individual who is covered by such plan by reason of the reinstatement of the coverage of such person.

(2) Paragraph (1) shall not apply to the coverage of any illness or injury determined by the Secretary of Veterans Affairs to have been incurred in, or aggravated during, performance of service in the uniformed services.

the person having become eligible for medical and dental care under chapter 55 of title 10 by reason of subsection (d) of section 1074 of that title but who subsequently does not commence a period of active duty under the order to active duty that established such eligibility because the order is canceled before such active duty commences, the provisions of paragraph (1) relating to any exclusion or waiting period in connection with the reinstatement of coverage under a health plan shall apply to such person's continued employment, upon the termination of such eligibility for medical and dental care under chapter 55 of title 10 that is incident to the cancellation of such order, in the same manner as if the person had become reemployed upon such termination of eligibility.

(b)(1) An employer reemploying a person under this chapter shall, with respect to a period of service described in subsection (a)(2)(B), be liable to an employee pension benefit plan for funding any obligation of the plan to provide the benefits described in subsection (a)(2) and shall allocate the amount of any employer contribution for the person in the same manner and to the same extent the allocation occurs for other employees during the period of service. For purposes of determining the amount of such liability and any obligation of the plan, earnings and forfeitures shall not be included. For purposes of determining the amount of such liability and for purposes of section 515 of the Employee Retirement Income Security Act of 1974 or any similar Federal or State law governing pension benefits for governmental employees, service in the uniformed services that is deemed under subsection (a) to be service with the employer shall be deemed to be service with the employer under the terms of the plan or any applicable collective bargaining agreement. In the case of a multiemployer plan, as defined in section 3(37) of the Employee Retirement Income Security Act of 1974, any liability of the plan described in this paragraph shall be allocated—

(A) by the plan in such manner as the sponsor maintaining the plan shall provide; or

(B) if the sponsor does not provide—

(i) to the last employer employing the person before the period served by the person in the uniformed services, or

(ii) if such last employer is no longer functional, to the plan.

(2) A person reemployed under this chapter shall be entitled to accrued benefits pursuant to subsection (a) that are contingent on the making of, or derived from, employee contributions or elective deferrals (as defined in section 402(g)(3) of the Internal Revenue Code of 1986) only to the extent the person makes payment to the plan with respect to such contributions or deferrals. No such payment may exceed the amount the person would have been permitted or required to contribute had the person remained continuously employed by the employer throughout the period of service described in subsection (a)(2)(B). Any payment to the plan described in this paragraph shall be made during the period beginning with the date of reemployment and whose duration is three times the period of the person's service in the uniformed services, such payment period not to exceed five years.

(3) For purposes of computing an employer's liability under paragraph (1) or the employee's contributions under paragraph (2), the employee's compensation during the period of service described in subsection (a)(2)(B) shall be computed—

(A) at the rate the employee would have received but for the period of service described in subsection (a)(2)(B), or

(B) in the case that the determination of such rate is not reasonably certain, on the basis of the employee's average rate of compensation during the 12-month period immediately preceding such period (or, if shorter, the period of employment immediately preceding such period).

(c) Any employer who reemploys a person under this chapter and who is an employer contributing to a multiemployer plan, as defined in section 3(37) of the Employee Retirement Income Security Act of 1974, under which benefits are or may be payable to such person by reason of the obligations set forth in this chapter, shall, within 30 days after the date of such reemployment, provide information, in writing, of such reemployment to the administrator of such plan.
